ANTHROPOLOGY (ANTH)

ANTH Class Schedule (https://courses.illinois.edu/schedule/DEFAULT/DEFAULT/ANTH)

Courses

ANTH 101  Introduction to Anthropology  credit: 3 Hours.
Anthropology was first envisioned as a holistic discipline, combining insights from the study of human anatomy and evolution, research on material remains of human settlements, and the analysis of social interaction in language and other cultural practices. Following this tradition, this course explores the questions about where humans came from, how societies live and communicate, and why human cultural groups vary. This course can be used to fulfill either Western or non-Western general education categories, but not both. This course satisfies the General Education Criteria for:
UIUC: Non-Western Cultures
UIUC: Social Sciences
UIUC: Western Compartv Cult

ANTH 102  Human Origins and Culture  credit: 4 Hours.
Introduction to and survey of human origins and evolution, physical anthropology, race and racism, archaeology, and the beginning of human civilization. Recommended, though not required, to be taken with ANTH 103 as a survey of the field of anthropology. This course satisfies the General Education Criteria for:
UIUC: Social Sciences

ANTH 103  Anthro in a Changing World  credit: 3 Hours.
Presents the fundamental areas of anthropological analysis through a series of comparative cases that emphasize social and cultural relations in global contexts. Directs attention to the anthropological history of global empires and colonial states, their cultural exchanges, and contemporary studies of culture, society, and globalization. This course can be used to fulfill either Western or non-Western general education categories, but not both. This course satisfies the General Education Criteria for:
UIUC: Non-Western Cultures
UIUC: Social Sciences
UIUC: Western Compartv Cult

ANTH 104  Talking Culture  credit: 3 Hours.
Introduction to linguistic anthropology, focusing on the role of language in the creation and maintenance of society and culture and on a person’s concept of self within that culture. Demonstrates how language use within a community can serve as the foundation for the analysis of cultural practices. Same as LING 104. This course satisfies the General Education Criteria for:
UIUC: Social Sciences

ANTH 105  World Archaeology  credit: 3 Hours.
Using archaeological data, traces our prehistoric heritage and the processes which led to the evolution of agriculture, settled villages, and civilization in many areas of the world. Lectures range from the earliest Homo sapiens to Sumeria, Egypt, Mexico, Peru, and the United States. This course satisfies the General Education Criteria for:
UIUC: HistPhilosoph Perspect

ANTH 106  Hist Arch Americas  credit: 3 Hours.
Explores recent theoretical, methodological, and thematic developments in historical archaeology in North America and the Caribbean. The temporal coverage is 1500-1900 AD. Examines how historical archaeologists use artifactual, documentary and oral history evidence in interpreting the past, and how historical archaeology can contribute to our understanding of the ways by which material culture can be used to study race, class, gender, and ethnic identities. Same as AFRO 106. This course satisfies the General Education Criteria for:
UIUC: HistPhilosoph Perspect
UIUC: US Minority Culture(s)

ANTH 108  Religion & Society in West I  credit: 3 Hours.
Same as PHIL 108, RLST 108, and SOC 108. See RLST 108. This course satisfies the General Education Criteria for:
UIUC: HistPhilosoph Perspect
UIUC: Western Compartv Cult

ANTH 109  Religion & Society in West II  credit: 3 Hours.
Same as PHIL 109, RLST 109, and SOC 109. See RLST 109. This course satisfies the General Education Criteria for:
UIUC: HistPhilosoph Perspect
UIUC: Western Compartv Cult

ANTH 130  History of South Asia  credit: 3 Hours.
Same as HIST 130. See HIST 130. This course satisfies the General Education Criteria for:
UIUC: HistPhilosoph Perspect
UIUC: Non-Western Cultures

ANTH 143  Biology of Human Behavior  credit: 3 Hours.
Critical consideration of data and information bearing on current controversies and ideas concerning selected aspects of human behavior. Topics to be discussed include communication; social organization; and parental, sexual, and aggressive behavior. Same as HDFS 143. This course satisfies the General Education Criteria for:
UIUC: Life Sciences

ANTH 150  Novel Archaeology  credit: 3 Hours.
Designed for non-anthropology majors; survey course of prehistory as seen through the eyes of novelists, science fiction writers, as well as visual media; covers 2 million years of prehistory examining what happened in the past as well as the interface between fact and fiction and past and present. This course satisfies the General Education Criteria for:
UIUC: HistPhilosoph Perspect

ANTH 157  The Archaeology of Illinois  credit: 3 Hours.
Traces the prehistory of Illinois from the first entry of people into the region more than 113,000 years ago until the 17th century and the beginning of historical records; examines subsequent cultural changes up to the 19th century and statehood from an archaeological and ethnohistorical perspective. This course satisfies the General Education Criteria for:
UIUC: HistPhilosoph Perspect

ANTH 160  Contemporary Social Issues  credit: 3 Hours.
Course considers how anthropological theory and methods enhance our understanding of contemporary social and political issues, including immigration, education, affirmative action, and welfare. It examines the relationship between social policy and social science as well as the strengths and limits of anthropological methods for social and political issues. This course satisfies the General Education Criteria for:
UIUC: US Minority Culture(s)

Information listed in this catalog is current as of 04/2016
ANTH 161 The Holocaust and Its Meanings  credit: 3 Hours.
Survey of the Holocaust as a cultural symbol and crucial reference point for debates on morality, ethics, and the lessons of history. Traces the Holocaust as a symbol in its historical and cross-cultural dimensions through text and film. This course satisfies the General Education Criteria for: UIUC: Western Compartv Cult

ANTH 165 Lang & Culture Native North Am  credit: 3 Hours.
Develops understanding of the rich diversity of languages and cultures found among Native North American peoples from the perspectives of sociocultural and linguistic anthropology. Same as AIS 165. This course satisfies the General Education Criteria for: UIUC: Non-Western Cultures

ANTH 171 Evolution of Human Comm  credit: 3 Hours.
Same as SHS 171. See SHS 171. This course satisfies the General Education Criteria for: UIUC: Behavioral Sciences

ANTH 175 Archaeology and Pop Culture  credit: 3 Hours.
Examines the ways in which the ancient past has been interpreted, appropriated, represented, used, and misused for a variety of reasons by political parties, national governments, and religious and ethnic groups living in the present. This course satisfies the General Education Criteria for: UIUC: HistPhilosoph Perspect

ANTH 180 The Archaeology of Death  credit: 3 Hours.
Cross-cultural introduction to the celebration of death across time and space. Examines the anthropological and archaeological literature on death, particularly in terms of death ritual and burial practices. Students study popular films on death in different cultures, and carry out a field project at a local cemetery. This course satisfies the General Education Criteria for: UIUC: Social Sciences UIUC: Western Compartv Cult

ANTH 182 Latin American Cultures  credit: 4 Hours.
Latin America considered as a theater of conflict and cultural experimentation among Native American, African, and Iberian peoples; their survival and transformation as reported in selected ethnographies and eyewitness sources; and some modern theories and controversies about their experience. This course satisfies the General Education Criteria for: UIUC: Non-Western Cultures UIUC: Social Sciences

ANTH 184 Asian American Cultures  credit: 3 Hours.
Surveys the heterogeneity of contemporary Asian American communities. Explores the core concepts of “culture” and “social organization” through the variety of experiences in the family, churches, business establishments, schools, and other public institutions. Same as AAS 184 and SOC 124. This course satisfies the General Education Criteria for: UIUC: Social Sciences UIUC: US Minority Culture(s)

ANTH 185 The Global Pacific  credit: 3 Hours.
An introduction to the environment, history, and cultures of the Pacific with special attention to transformations in lifeways as people, ideas, and products flow into the islands from other world regions and flow out from Oceania to diasporic communities worldwide. This course satisfies the General Education Criteria for: UIUC: Non-Western Cultures UIUC: Social Sciences

ANTH 190 American Jewish Culture  credit: 3 Hours.
Examines American Jewish experience in its cultural and historical diversity. Introduces the approaches of cultural anthropology in order to investigate how an ethnic group has elaborated and continues to elaborate its identity in American culture and society through strategies of individual and collective behavior. In this way, American Jewish identities emerge as the products of specific interactions between Judaism’s overarching cultural system and local American cultural formations. This course satisfies the General Education Criteria for: UIUC: US Minority Culture(s)

ANTH 199 Undergraduate Open Seminar  credit: 1 to 5 Hours.
May be repeated.

ANTH 209 Food, Culture, and Society  credit: 3 Hours.
Introduces basic anthropological and sociological methods, concepts and approaches to the study of the food. Explores issues including gender roles, religious influences, family relationships, community sharing, nationalist rituals, and global processes in the production, distribution and consumption of food. Film, ethnographies, and other social science studies will be examined. Same as SOC 269. This course satisfies the General Education Criteria for: UIUC: Social Sciences

ANTH 210 Families in Global Perspective  credit: 3 Hours.
Same as HDFS 220. See HDFS 220. This course satisfies the General Education Criteria for: UIUC: Non-Western Cultures UIUC: Social Sciences

ANTH 220 Introduction to Archaeology  credit: 3 Hours.
Introduction to the problems of studying past cultures; special attention given to the ranges of techniques available and the adequacy of various methodologies as bases for sound inference about the structure of extinct cultures. Prerequisite: ANTH 102 or consent of instructor.

ANTH 222 Introduction to Modern Africa  credit: 3 Hours.
Same as AFST 222, PS 242, and SOC 222. See AFST 222. This course satisfies the General Education Criteria for: UIUC: Non-Western Cultures

ANTH 223 Exploring African Cities  credit: 3 Hours.
Same as LA 220. See LA 220. This course satisfies the General Education Criteria for: UIUC: HistPhilosoph Perspect UIUC: Non-Western Cultures

ANTH 224 Tourist Cities and Sites  credit: 3 Hours.
Examination of tourism’s social, political, economic, cultural, and physical dimensions from an anthropological perspective. This course satisfies the General Education Criteria for: UIUC: Social Sciences

ANTH 225 Women in Prehistory  credit: 3 Hours.
Course identifies the presence of women in the archaeological record and seeks to reconstruct women’s lives and roles in a range of ancient societies. It also considers the intellectual history of gender studies in archaeology and anthropology. Same as GWS 225. This course satisfies the General Education Criteria for: UIUC: Social Sciences

Information listed in this catalog is current as of 04/2016
ANTH 226  Intl Competence - Study Abroad  credit: 1 Hour.
Provides students with cross-cultural communication and critical thinking skills that will enhance their experience abroad. Through activities, readings and assignments students will gather valuable information about their prospective host community. We'll explore foreign perspectives on American culture to encourage reflection upon the attitudes and reactions students will both encounter and generate during their travels. Students will learn to manage common challenges, stay safe, and have a successful international experience. Same as GLBL 226.

ANTH 227  Unpacking Intl Experience  credit: 1 Hour.
For students who have recently completed an international experience (study abroad, service learning, fieldwork). Provides students with practical and theoretical tools to reflect upon their international experience and helps them identify the professional and personal skills they acquired while abroad. Explores how cultural values and assumptions shape one's attitude abroad, and the ways these factors affect cross-cultural interactions between people. Same as GLBL 227.

ANTH 230  Sociocultural Anthropology  credit: 3 Hours.
Introduction to the anthropological study of contemporary human societies; emphasis on the comparative study of social organization, interpersonal relations, cultural ecology, and processes of sociocultural change, but also includes some consideration of the method and theory of ethnographic field research.

ANTH 240  Biological Anthropology  credit: 3 Hours.
Past and present evolution of the human species and population and individual biological variation; topics include genetic principles relevant to human evolution, primate phylogeny and behavior, fossil evidence for human evolution, and the origin and significance of biological diversity in modern humans. Prerequisite: ANTH 102 or ANTH 143; or an introductory life sciences course; or consent of instructor.

ANTH 241  Human Variation and Race  credit: 3 Hours.
Examines the biological concept of race as applied and misapplied to Homo sapiens by anthropologists and others from the 18th century to the present and of the origin, nature, and significance of so-called racial variation.
This course satisfies the General Education Criteria for:
UIUC: Life Sciences

ANTH 242  History of Human Evolution  credit: 3 Hours.
Reviews the history of evolution and its controversies from the pre-Darwinians to contemporary debates. Examines disciplinary and wider societal debates and how they affect each other.

ANTH 243  Sociality of the Great Apes  credit: 3 Hours.
Examines the social organization, mating patterns, and group structure of free-ranging chimpanzees, gorillas, and orangutans. Presents historical perspective focusing on misconceptions that have colored our understanding of ape social behavior; addresses questions concerned with learning potential, food sharing, social cooperation, aggressive behavior, self-awareness, and the appropriateness of the apes as models for understanding human behavior. Prerequisite: ANTH 102, ANTH 143, or an equivalent course in animal behavior; or consent of instructor.

ANTH 246  Forensic Science  credit: 4 Hours.
History and theory underlying methods used in forensic science. Topics include the courtroom, the units of a crime laboratory, methods of securing and investigating a crime scene, and the analysis of evidence collected from a crime scene such as blood, fibers, hair and fingerprints. This course satisfies the General Education Criteria for:
UIUC: Life Sciences

ANTH 247  Forensic Science DNA Lab  credit: 3 Hours.
Forensic science is the application of science to the law and encompasses a wide variety of scientific disciplines. This course introduces students to general laboratory practice, molecular biology and DNA analysis skill that are commonly used by forensic DNA scientists. Students will learn using a "hands-on" and interactive approach with many of the same tools used by professional forensic DNA scientists. Prerequisite: ANTH 246.

ANTH 249  Evolution and Human Disease  credit: 3 Hours.
Principles of modern evolutionary theory are applied to medical problems. Topics include: transmission, pathogen strategies, symptoms and spectrum of disease, evolution of virulence, concept of cause, antimicrobial resistance, emerging diseases, stress and adaptation, nutrition, diachronic overview of changing patterns of human disease, and ecological factors.
This course satisfies the General Education Criteria for:
UIUC: Life Sciences

ANTH 250  The World Through Museums  credit: 3 Hours.
Same as MUSE 250. See MUSE 250.
This course satisfies the General Education Criteria for:
UIUC: Social Sciences
UIUC: Western Compartv Cult

ANTH 258  Sex in Nature and Culture  credit: 3 Hours.
A simultaneous exploration of human sexuality from a biological and cultural perspective. Same as GWS 258.

ANTH 259  Latina/o Cultures  credit: 3 Hours.
Introduction to the Spanish-speaking population of the United States, including demography, history, economics, and culture; emphasis on Mexican-Americans and Puerto Ricans, although other Spanish-speaking groups are also considered. Same as LLS 259. Prerequisite: ANTH 103 or consent of instructor.

ANTH 260  World Ethnography  credit: 3 Hours.
Study and criticism of ethnographic descriptions of exotic ways of life, both as scientific reporting and as a literary art form. Readings include examples from several major culture areas: Africa, the Americas, the Middle East, Oceania, southern and eastern Asia, and Western civilization. Prerequisite: ANTH 102, ANTH 103, or consent of instructor.
This course satisfies the General Education Criteria for:
UIUC: Social Sciences

ANTH 261  Intro to the African Diaspora  credit: 3 Hours.
Same as AFRO 261. See AFRO 261.
This course satisfies the General Education Criteria for:
UIUC: HistPhilosoph Perspect
UIUC: US Minority Culture(s)

ANTH 262  Women's Lives  credit: 3 Hours.
Perceptions of women, their perceptions of themselves, and their varying roles and statuses in several contemporary societies in diverse countries; supervised ethnographic observation of women's behavior. Same as GWS 262.
This course satisfies the General Education Criteria for:
UIUC: Social Sciences

ANTH 265  Ethnicity in the USA  credit: 3 Hours.
Course examines the history and present day circumstances of a variety of U. S. ethnic groups. It uses the tools of ethnography and history to explore this complex topic. The first half of the course explores 18th and 19th century ethnicities by combining historical and ethnographic methods. The second half focuses on contemporary ethnic movements and theories about them. Prerequisite: ANTH 103.
ANTH 266  African Film and Society  credit: 3 Hours.
Introduction to African cinema as a contemporary art form and as a window on the social and cultural realities of Africa. The course includes discussion of modern African culture, the African film industry, and African cinema as an art form and as popular entertainment. Same as AFST 267. This course satisfies the General Education Criteria for: UIUC: Non-Western Cultures

ANTH 267  Memoirs of Africa  credit: 3 Hours.
Course introduces Africa to students who have read little or nothing about the continent, the course provides a "user-friendly" approach by offering engagingly written narratives of actual lives lived. The texts may be a combination of memoirs written by Africans (about their childhood experiences growing up in various regions of Africa) and by non-African scholars and other authors (including but not limited to anthropologists) who have spent significant amounts of time on the continent. Same as AFST 267. Prerequisite: Completion of Campus Composition I general requirement. This course satisfies the General Education Criteria for: UIUC: Advanced Composition
UIUC: Non-Western Cultures

ANTH 268  Images of the Other  credit: 3 Hours.
Do all peoples view neighboring or distant populations as radically different "Others," or can humans create common models (based on a notion of shared humanity)? Course compares and analyzes the range of images of ethnic, "racial," gender, class, and bodily differences that have been enacted historically and cross-culturally in both Western and non-Western populations. Prerequisite: A previous course in history and/or one of the social sciences suggested. This course satisfies the General Education Criteria for: UIUC: Advanced Composition
UIUC: HistPhilosoph Perspect
UIUC: Western Compartv Cult

ANTH 270  Language in Culture  credit: 3 Hours.
Examines the intersections of culture and language. Topics include the definition of language; the cultural shaping of narrative; how different linguistic systems guide speakers to think differently about the world; and how ideologies about language relate to beliefs about the nation, modernity, race, and gender. Credit is not given for both ANTH 270 and ANTH 271.

ANTH 271  Language in Culture-ACP  credit: 3 Hours.
Course is identical to ANTH 270 except for the additional writing component. Credit is not given for both ANTH 271 and ANTH 270. Prerequisite: Completion of campus Composition I general education requirement. This course satisfies the General Education Criteria for: UIUC: Advanced Composition

ANTH 277  Ancient Cities, Sacred Land  credit: 3 Hours.
Examines urban development from its origins to the present day. Among the concepts covered are urbanism, urbanization, ceremonial centers and ceremonial cities, the city as a system, the spatial and economic organization of cities, and the built environment (sacred landscapes, vernacular architecture, places of power). Small field project is conducted in Champaign-Urbana. This course satisfies the General Education Criteria for: UIUC: Social Sciences
UIUC: Western Compartv Cult

ANTH 278  Climate Change & Civilization  credit: 3 Hours.
Examination of how climate change impacts society. With the increasing need to understand how climate changes and society intersect at present, it is becoming important that we address critical questions about how lessons from the past inform present needs. Case studies from around the world are discussed.

ANTH 280  Personal Anthropology  credit: 3 Hours.
Anthropological approaches and methods related to the student's everyday life situation. Explanation and use of ritual, ideology, myth, communication, media images, rites of passage, structure, symbols, and other concepts so that the student may develop a more critical understanding of contemporary American society and his or her position in it.

ANTH 284  Adv Topics in Asian America  credit: 3 Hours.
Considers a number of theoretical and methodological topics in sociocultural anthropology through ethnographic writings on Asian America. Theoretical topics include transnationalism, colonialism, resistance, culture, race, and identity. Methodological topics include fieldwork, ethnographic writing (including the blurring of genres) and ethics. Same as AAS 284. Prerequisite: ANTH 184 or consent of instructor. This course satisfies the General Education Criteria for: UIUC: Social Sciences
UIUC: US Minority Culture(s)

ANTH 285  Intro to Korea Through Film  credit: 3 Hours.
Same as EALC 285. See EALC 285. This course satisfies the General Education Criteria for: UIUC: Non-Western Cultures

ANTH 286  Southeast Asian Civilizations  credit: 3 Hours.
Overviews the cultural and institutional history of the Indianized states and Vietnam, with attention to dominant commercial, political, religious, artistic, and social traditions of Southeast Asia. Same as ASST 286 and HIST 225. This course satisfies the General Education Criteria for: UIUC: HistPhilosoph Perspect
UIUC: Non-Western Cultures

ANTH 287  Contemporary East Asia  credit: 3 Hours.
Same as EALC 288. See EALC 288.

ANTH 288  American Indians of Illinois  credit: 3 Hours.
An interdisciplinary survey of the Native American experience in the Illinois region from pre-Columbian times to the present. Introduces theories, concepts and methods in archaeology, history, and sociocultural anthropology. Includes archaeological field site and museum visits, plus guest lectures by American Indian scholars and community members. Same as AIS 288 and HIST 288. This course satisfies the General Education Criteria for: UIUC: HistPhilosoph Perspect
UIUC: US Minority Culture(s)

ANTH 290  Jewish Cultures of the World  credit: 3 Hours.
Survey of the world's Jewish cultures with a particular focus on the non-Western world. Addresses the relations between Judaism and other religious systems and the nature of Jewish life in such locales as North Africa, Subsaharan Africa, India, China, and South America. This course satisfies the General Education Criteria for: UIUC: Non-Western Cultures

ANTH 342  Animal Behavior  credit: 3 Hours.
Same as ANSC 366 and IB 329. See IB 329.
AN Th 343  Behavior and Biology of Women  credit: 3 Hours. 
Exploration of female biology and behavior in a broad evolutionary context. Explores development from pre-puberty through menopause, reproductive processes such as pregnancy, birth and lactation, cognitive and behavioral sex differences, and male and female reproductive strategies in a variety of cultural settings. Examples are drawn primarily from traditional and modern human societies as well as field and experimental data from other species, particularly non-human primates. Prerequisite: AN Th 143 or consent of instructor.

AN Th 346  Forensic Anthropology  credit: 3 Hours. 
Analysis of human skeletal remains of the medico-legal profession. Topics include the development of the field of forensic anthropology, biological profile and skeletal trauma analysis, interval since death estimation. Additional topics include investigation of crime scenes, the legal role of the biological anthropologist as an expert witness and case report preparation. Attention will also be drawn to the incorporation of anthropological and ethical approaches to dealing with death and using human remains for research. Prerequisite: AN Th 240 and AN Th 246.

AN Th 358  People of the Ice Age  credit: 3 Hours. 
Explores a vast period of human prehistory - 2 million to 10,000 years ago - before the first cities arose and before people domesticated plants and animals in the Old World; uses archaeological and paleoanthropological data to understand past life ways as well as reasons for change through time in human adaptation. Prerequisite: AN Th 102.

AN Th 359  Adv Topics in Latina/o US  credit: 3 Hours. 
Theoretical and methodological perspectives on the construction of Latina/Latino identities in contemporary American society. Same as LLS 359. 
This course satisfies the General Education Criteria for:
UIUC: US Minority Culture(s)

AN Th 360  Evolution and Human Health  credit: 3 Hours. 
Same as IB 360. See IB 360.

AN Th 361  Ecology and Human Health  credit: 3 Hours. 
Same as IB 361. See IB 361.

AN Th 362  Body, Personhood, and Culture  credit: 3 Hours. 
Examines basic cultural assumptions about the human body and what it means to be a "person" in Western and non-Western societies. Addresses key themes in cultural anthropology and the social sciences concerning the relationship of the individual and society and of nature and culture. This course satisfies the General Education Criteria for:
UIUC: Social Sciences

AN Th 363  Anth of Dance/Movement  credit: 3 Hours. 
Anthropological study of dance and other human movement systems in cultural contexts. Designed especially for students with little or no background in socio-cultural anthropology or the social sciences. Includes reading the works of major figures in the field, and learning how to study dances, signed languages and ritual events from an anthropological perspective. Students will also learn about socio-cultural theory and observation, doing fieldwork, movement literacy, problems of subjectivity and objectivity, and personal anthropology.

AN Th 364  Performing "America"  credit: 3 Hours. 
Introduction to theories of performance and performativity or enactment, and applies these to an understanding of public events like political rallies, music, the arts, protests, and everyday life in the U.S. Emphasis on how these practices of production and consumption help articulate social identity, including gendered, sexual, racial/ethnic, religious, class, and generational affiliations. Focus on the contemporary U.S. with comparative case studies drawn from other parts of the world and some historical materials. Draws on anthropological studies, as well as scholarly literatures from communication studies, literature, the arts, and social history. Prerequisite: At least one course in anthropology or the social sciences.

AN Th 368  'America' in the World  credit: 3 Hours. 
Study of the lure and rejection of the U.S. around the world, by drawing on long-standing anthropological approaches to the histories of peoplehood, selfhood, and otherness. Examines the historical, political, cultural, economic, and social context of both anti- and pro-Americanism, in various parts of the globe. Prerequisite: Any previous course in cultural anthropology.

AN Th 370  Latina/o Ethnography  credit: 3 Hours. 
Same as LLS 370. See LLS 370.

AN Th 372  Topics in Lang & Culture  credit: 3 Hours. 
Advanced topics in language and culture. May be repeated in separate terms. Prerequisite: AN Th 104, AN Th 270, or consent of instructor.

AN Th 373  Culture & Psychology  credit: 3 Hours. 
Same as PSYC 373. See PSYC 373.

AN Th 374  Anth of Science and Technology  credit: 3 Hours. 
Examination of science as a cultural system. Utilizing ethnographic methods and social theories, the course will locate scientific knowledge, institutions and practices within enduring anthropological questions around rationality and truth, meaning, personhood, sociality, power inequalities, social transformations, and social justice. Prerequisite: Junior standing.

AN Th 375  The Culture of Nature  credit: 3 Hours. 
Examines how the natural and the cultural are mutually-constitutive concepts, and investigates contemporary and historical constructions of notions of a natural world. We will see how these concepts have varied over time and among different social groups, with a special emphasis on the contemporary United States. Topics will include the idea of landscape and of nature as a resource to be used, appreciated, represented, controlled, or enjoyed. In addition, the course will feature a special unit on sustainability, and one devoted to analyzing our relationships to animals. Prerequisite: At least one anthropology course or a course in another social science.

AN Th 376  Aztec Civilization  credit: 3 Hours. 
Detailed description and analysis of Aztec culture, society, and empire at c. 1500 AD, based primarily on ethnohistorical documentation. Topics covered include life cycle, family and society, political and economic organization, warfare, religion, and intellectual and aesthetic traditions. External relationships with neighboring peoples and the indigenous view of the Spanish conquest are considered. Prerequisite: AN Th 102, AN Th 103, or AN Th 105.
This course satisfies the General Education Criteria for:
UIUC: Non-Western Cultures

AN Th 377  Plants and Their Uses  credit: 3 Hours. 
Same as IB 363. See IB 363.
ANTH 379 Medical Anthropology  credit: 3 Hours. 
Introduction to concepts and social aspects of health, illness, and curing in different cultures. Considers concepts of interaction between folk and modern medicine in developing nations and delivery of health care as an international social problem. Prerequisite: ANTH 230 or ANTH 260, or consent of instructor.

ANTH 380 Ethnography of the University  credit: 3 Hours. 
Introduces students to ethnographic research methods through research on the University of Illinois. Emphasizes qualitative research methods and institutional analysis. Student work builds on research done by prior students and student research is web archived. Reflection on and reconfiguration of research questions and hypotheses is encouraged as research projects proceed. Prerequisite: Any 100-level or 200-level sociocultural anthropology course: ANTH 103, ANTH 104, ANTH 230 etc.

ANTH 390 Individual Study  credit: 2 to 4 Hours. 
Supervised reading and research on anthropological topics chosen by the student with staff approval. Especially (but not exclusively) for students who are preparing for a summer field-work project, or who have some justifiable reason for doing independent study, but who do not qualify for the honors (departmental distinction) courses. Prerequisite: Junior or senior standing; 12 hours in anthropology; consent of instructor. May not be taken concurrently with ANTH 391 or ANTH 495.

ANTH 391 Honors Individual Study  credit: 2 to 4 Hours. 
A two-term individual study and research project for those students who are candidates for departmental distinction in anthropology. Prerequisite: Senior standing; 3.6 GPA in anthropology; 37 hours of anthropology courses, and consent of instructor. May not be taken concurrently with ANTH 390.

ANTH 393 The World of Jewish Sepharad  credit: 3 Hours. 
Study of the cultural legacy and history of the Sephardic Jews, mostly focusing on the Mediterranean and the thriving communities they established in countries of Muslim governance and in the Balkans, and more recently in America. The Judeo-Spanish language, which has been preserved until the end of the twentieth century, the press, literature and music are components of this course. Same as HIST 393 and RLST 393. This course can be used to fulfill either Western or non-Western general education categories, but not both. This course satisfies the General Education Criteria for:
UIUC: HistPhilosoph Perspect
UIUC: Non-Western Cultures
UIUC: Western Compartv Cult

ANTH 399 Special Topics  credit: 1 to 3 Hours. 
Topics are given on a one-time only, experimental basis. Faculty offer special topics in their areas of expertise that provide an opportunity for undergraduates to be exposed to some of the most current developments in faculty research. May be repeated.

ANTH 402 Transnational Islam, Europe-US  credit: 3 or 4 Hours. 
Anthropological approach to transnational Islam, focusing on its various expressions in Europe and the United States, particularly since World War II. Same as ASST 402 and RLST 409. 3 undergraduate hours. 4 graduate hours. Prerequisite: ANTH 230 or consent of instructor.

ANTH 403 Women in Muslim Societies  credit: 3 or 4 Hours. 
Same as GLBL 403, GWS 403, HIST 434, RLST 403, and SAME 403. See RLST 403.

ANTH 404 Disability, Culture & Society  credit: 3 or 4 Hours. 
Same as CHLH 407, KIN 407, and REHB 407. See CHLH 407.

ANTH 405 Contemporary Central America  credit: 3 or 4 Hours. 
Explores cultural, political and historical processes in 20th- and 21st-century Central America—focusing on Costa Rica, Nicaragua, Honduras, El Salvador, and Guatemala—through an anthropological lens. Grapples with a core set of questions arising from changes in the global relations, including the rise of global neoliberalism, the crises and renovations of political projects, the transformations of spatial relations through transnational migration, and the proliferation of various pan-hemispheric as well as local identity-based movements. 3 undergraduate hours. 4 graduate hours. Prerequisite: ANTH 103 or ANTH 182 or ANTH 230 or a course in Latin American history or consent of instructor.

ANTH 408 Human Evolutionary Anatomy  credit: 3 or 4 Hours. 
Comprehensive, comparative study of musculoskeletal anatomy in primates, focusing on functional and adaptive changes that have occurred in the masticatory apparatus, facial skeleton, and locomotor systems of New World monkeys, Old World monkeys, apes, and humans. Relationships between morphology, ecology, and behavior are discussed, applied to the fossil record, and used to address current issues in human evolution. 3 undergraduate hours. 4 graduate hours. Prerequisite: ANTH 443 or ANTH 440 or ANTH 456 or a course in human or comparative vertebrate anatomy.

ANTH 409 Human Evolutionary Anatomy Lab  credit: 3 or 4 Hours. 
Comparative detailed dissections of craniofacial, locomotor, neural, and alimentary systems in nonhuman primates, to understand the anatomical bases of human evolution. 3 undergraduate hours. 4 graduate hours. Prerequisite: Credit or concurrent registration in ANTH 408.

ANTH 411 Methods of Cultural Anth  credit: 3 or 4 Hours. 
Major philosophical, theoretical, and methodological issues that arise in conducting cultural-oriented anthropological field work today; application of class knowledge to an actual field experience; emphasis on field work as a reflexive experience and as a mutually creative and frustrating endeavor. 3 undergraduate hours. 4 graduate hours. Prerequisite: ANTH 230 or graduate standing.

ANTH 414 Writing Ethnography  credit: 3 or 4 Hours. 
Addresses issues of the theoretical divide between the humanities and the social sciences, the unique authority of the scholar/author, and the invisibility of the reader in producing scholarly texts. Focusing on the ways in which scholars are also authors, we explore current debates by reading a selection of contemporary anthropological texts (and some prescient precursors) that boldly experiment with how ethnography is written. Students will experiment with several ethnographic writing styles. This course is designed for advanced undergraduate anthropology students and graduate students in cultural anthropology, writing studies, and education. 3 undergraduate hours. 4 graduate hours. Prerequisite: Undergraduate students should have already taken at least one 300-level course in cultural anthropology, and graduate students in cultural anthropology, writing studies, and education. Other students should contact the instructor. This course satisfies the General Education Criteria for:
UIUC: Advanced Composition

ANTH 416 Anthropology of Music  credit: 3 Hours. 
Same as MUS 416. See MUS 416.

ANTH 419 Civilization in Ancient Peru  credit: 3 or 4 Hours. 
Survey of Central Andean prehistory from the earliest inhabitants through the emergence of complex societies culminating in the Inca Empire. 3 undergraduate hours. 4 graduate hours. Prerequisite: ANTH 102 or ANTH 105 or another 400-level archaeology course or graduate standing.
ANTH 420  Case Studies Global Heritage  credit: 3 or 4 Hours.
Cultural heritage encompasses major domains of social, economic, political, religious and environmental practice and policy-making under today's conditions of globalization. Students will critically examine cultural heritage case studies from around the world. 3 undergraduate hours. 4 graduate hours.

ANTH 421  Social Organization  credit: 3 or 4 Hours.
Introduction to anthropological concepts of social organization and structure; considers kinship theory, descent and alliance systems, social stratification, nonkin association, social networks, group identification and boundaries, structural-functional interpretations of society, and the meaning of social or cultural structure. 3 undergraduate hours. 3 or 4 graduate hours. Prerequisite: ANTH 230 or consent of instructor.

ANTH 422  Economic Anthropology  credit: 3 or 4 Hours.
Covers the emergence of economic anthropology as a subdiscipline; considers various definitions of economics with their implications for the study of human society; emphasizes the relationship between social organization and economic life from the perspectives of classical studies in anthropology and their contemporary interpretations. 3 undergraduate hours. 4 graduate hours. Prerequisite: ANTH 230.

ANTH 425  Anthropology of Education  credit: 2 or 4 Hours.
Same as EPS 425 and EPSY 466. See EPS 425.

ANTH 428  Sociolinguistics of Gender  credit: 3 or 4 Hours.
Same as LING 428 and GWS 428. See LING 428.

ANTH 430  The History of Anthropology  credit: 4 Hours.
Provides a selective overview of the history and historiography of anthropology in the 19th and 20th centuries. The class moves chronologically and topically, paying particular attention to the social, institutional, and historical contexts of paradigmatic shifts, the interconnections between various national traditions, and the negotiations of the discipline's boundaries. 4 undergraduate hours. 4 graduate hours. Prerequisite: Graduate or senior standing in anthropology, or consent of instructor.

ANTH 431  History of Bioanthropology  credit: 3 or 4 Hours.
Surveys the histories of ideas in biological anthropology, with a focus on the development of the field in the U.S. Examination of the foundations of contemporary theory, placing these ideas into historical and societal context. 3 undergraduate hours. 4 graduate hours. Prerequisite: ANTH 102, ANTH 240, ANTH 242, ANTH 243 or equivalent.

ANTH 432  Genes and Behavior  credit: 3 Hours.
Same as IB 432, NEUR 432, and PSYC 432. See IB 432.

ANTH 434  Comparative Vertebrate Anatomy  credit: 5 Hours.
Same as IB 433. See IB 433.

ANTH 435  The Neandertal Debate  credit: 3 or 4 Hours.
A detailed investigation of the origin and biological adaptations of late archaic humans and the emergence of modern humans. Explores the practice and validity to using skeletal anatomy to interpret the behavior of past populations using evolutionary and comparative approaches. This course will interpret Neandertal biology and anatomy with particular emphasis on its relevance for theories about the origin and evolution of our species. 3 undergraduate hours. 4 graduate hours. Prerequisite: ANTH 240.

ANTH 436  Biogeography  credit: 3 Hours.
Same as ESE 439, GEOG 436, IB 439 and NRES 441. See IB 439.

ANTH 437  Primate Behav Endocrinology  credit: 3 or 4 Hours.
Introduction to behavioral endocrinology, focusing on primate, especially human behaviors. Examines the relationship between hormones and behavior using an evolutionary and comparative approach, considering both how hormones influences behavior and how behavioral interactions regulate endocrine physiology. The course covers basic endocrine system physiology and function, hormonal influences on primate social behaviors such as male and female reproductive behaviors, courtship, parental care, bonding and attachment, as well as aggression and territoriality. Other topics include stress, hormones, and health. Same as IB 437. 3 undergraduate hours. 4 graduate hours. Prerequisite: IB 150 and ANTH 143; or an equivalent course in behavioral ecology, primate behavior, physiology or psychology; or consent of instructor.

ANTH 438  Primate Life History Evolution  credit: 3 or 4 Hours.
Life history seeks to explain why differences exist in the pathways that organisms follow from conception to death. Examination of the diversity in the evolution of primate (including human) life histories. 3 undergraduate hours. 4 graduate hours. Prerequisite: ANTH 102, ANTH 143, ANTH 240, ANTH 243 or equivalent.

ANTH 440  Human Paleontology  credit: 3 or 4 Hours.
Principles of evolution and a survey of human evolution from the early primates through the Pleistocene epoch; emphasis on evolutionary theory as applied to humans and interpretation of the fossil record. 3 undergraduate hours. 3 or 4 graduate hours. Prerequisite: ANTH 240 or consent of instructor.

ANTH 441  Human Genetics  credit: 3 or 4 Hours.
Principles of human genetics; anthropological aspects of race and race formation; and hereditary and environmental factors in the biological variation of modern humans. Same as ANSC 441. 3 undergraduate hours. 3 or 4 graduate hours. Prerequisite: ANTH 102 or equivalent.

ANTH 443  Primate Form and Behavior  credit: 3 or 4 Hours.
Survey of primate social behavior and the classification, morphology, and distribution of living and extinct species; emphasis on interrelationships among behavior, biology, and ecology. Same as IB 428. 3 undergraduate hours. 3 or 4 graduate hours. Prerequisite: ANTH 240 or consent of instructor.

ANTH 444  Methods in Bioanthropology  credit: 3 or 4 Hours.
Supervised participation in biological anthropology research projects; techniques, methods, and procedures discussed and practiced under actual field or laboratory working conditions. Normally taken concurrently with ANTH 445. 3 undergraduate hours. 4 graduate hours. May be repeated if topics vary. Usually offered in the summer session only. Prerequisite: ANTH 240 or equivalent; consent of instructor.

ANTH 445  Research in Bioanthropology  credit: 3 or 4 Hours.
Analysis, interpretation, evaluation, and organization of field and laboratory data in biological anthropology; preparation of written reports on research. May be taken concurrently with ANTH 444 or subsequently. 3 undergraduate hours. 4 graduate hours. May be repeated if topics vary. Usually offered in the summer session only. Prerequisite: ANTH 240 or equivalent; consent of instructor.

ANTH 446  Behavioral Inference & Fossils  credit: 3 or 4 Hours.
Theories and methods for interpreting behaviors inferred from the human and primate fossil record. Topics include discussions of adaptation, methods of inference in historical sciences, and practical experimental approaches to understanding aspects of diet, locomotor behavior and social organization and species known only from the fossil record. Same as IB 403. 3 undergraduate hours. 4 graduate hours. Prerequisite: ANTH 240.
ANTH 448  The Prehistory of Africa  credit: 3 or 4 Hours.
The study of cultural development in Africa from the appearance of hominids to the time of European domination. 3 undergraduate hours. 3 or 4 graduate hours. Prerequisite: ANTH 220 or consent of instructor.

ANTH 449  North American Archaeology  credit: 3 or 4 Hours.
Methods, techniques, and results of archaeology in North America; focuses on divergent approaches to the regional archaeology of North America; and surveys and synthesizes the archaeology of the subcontinent. 3 undergraduate hours. 3 or 4 graduate hours. Prerequisite: ANTH 220 or consent of instructor.

ANTH 451  Archaeological Surveying  credit: 3 or 4 Hours.
Familiarization with methods used in the location and recording of archaeological sites, including techniques of mapping especially adapted to the needs of archaeology; attention given to means of presenting results and interpreting data derived from this work; and work both in the field and in the laboratory. 3 undergraduate hours. 4 graduate hours. Prerequisite: ANTH 220 or consent of instructor.

ANTH 452  Stone Tool Technology Analysis  credit: 3 or 4 Hours.
Lecture and laboratory on the principles and techniques of stone and bone artifact manufacture, identification, classification, metrical analysis, interpretation, and integration with other classes of archaeological evidence. Emphasis on the use of lithics to test human behavioral models. 3 undergraduate hours. 3 or 4 graduate hours. Prerequisite: ANTH 220.

ANTH 453  Landscape Archaeology  credit: 3 or 4 Hours.
The use of archaeological, documentary, and oral history evidence to study and interpret the ways past peoples shaped their landscapes through the deployment of cultural and social practices, and the ways, in turn, that such people were influenced, motivated, or constrained by their natural surroundings. Same as LA 454. 3 undergraduate hours. 4 graduate hours. Prerequisite: Introductory archaeology course, such as ANTH 220, or introductory landscape architecture course, such as LA 215, and a 300 level course in socio-cultural anthropology or archaeology, or equivalent with instructor’s permission.

ANTH 454  Archaeological Field School  credit: 3 or 4 Hours.
Participation in archaeological excavations; techniques, methods, and procedures discussed and practiced under actual working conditions. Normally taken concurrently with ANTH 455. 3 undergraduate hours. 4 graduate hours. May be repeated if topics vary. Usually offered in the summer session only. Prerequisite: Consent of instructor.

ANTH 455  Lab Analysis in Archaeology  credit: 3 or 4 Hours.
Laboratory work including processing, classifying, dating, interpretation, evaluation, and preparation of written reports of archaeological research. May be taken concurrently with ANTH 454 or subsequently. 3 undergraduate hours. 4 graduate hours. May be repeated if topics vary. Prerequisite: ANTH 102 or consent of instructor.

ANTH 456  Human Osteology  credit: 3 or 4 Hours.
Identification of isolated and fragmentary skeletal remains; study of the structure and function of bone, the growth and development of the human skeleton and introduction to analytical techniques used in human osteology including paleopathology, paleodemography and forensics. 3 undergraduate hours. 4 graduate hours. Prerequisite: ANTH 102 or ANTH 240 or a course in anatomy, physiology, or introductory life sciences and consent of instructor.

ANTH 459  The Ancient Maya  credit: 3 Hours.
Introduction to the Ancient Maya of Mexico, Guatemala, Belize, and Honduras. Evaluates theories that account for the rise and fall of Classic (c. A.D. 250-950) Maya rulership. Excavation data, iconography, and inscriptions are used to reconstruct political and social organization, ideology, subsistence activities, and inter-regional interactions. 3 undergraduate hours. 3 graduate hours. Prerequisite: ANTH 105.

ANTH 460  Heritage Management  credit: 3 or 4 Hours.
Detailed examination of the theoretical and practical issues of archaeological heritage management. Focusing on the legal, environmental, ethical, social, political, educational, and touristic aspects of the management of ancient sites for their continued sustainability. Same as LA 460. 3 undergraduate hours. 4 graduate hours. Prerequisite: ANTH 220 and at least one ANTH 300- or 400-level archaeological area course.

ANTH 461  Hist of Archaeological Theory  credit: 3 or 4 Hours.
Examines the prominent theories in archaeology from its inception to the present day and does so within the context of general developments in anthropological thought. Provides a foundation for graduate students and a capstone for major emphasizing archaeology. 3 undergraduate hours. 4 graduate hours. Prerequisite: For undergraduates: ANTH 220; anthropology major with focus on archaeology; senior standing or consent of the instructor. For graduate students: enrollment in ANTH 430 during the same term advised.

ANTH 462  Museum Theory and Practice  credit: 3 or 4 Hours.
A foundational introduction to museology consisting of a critical examination of the history and social life of museums and how museums have been studied by scholars in a range of academic disciplines. Includes visits to campus and local museums. Same as ARTH 462 and LA 472. 3 undergraduate hours. 4 graduate hours.

ANTH 463  Religion and Society  credit: 4 Hours.
Course focuses on theoretical issues raised by religion. Does religion address itself essentially to intellectual, emotional or pragmatic issues? Is religion created by rulers, clerics or worshippers? How does the individual experience religion, and (how) can s/he reshape it? In exploring these and related issues, we will read the writings of German, French, and British social scientists of the past 150 years as well as work by contemporary anthropologists. Theoretical perspectives covered include symbolic, processual, materialist, structural-functionalist, structuralist, and postmodernist approaches. Same as RLST 463. 4 undergraduate hours. 4 graduate hours. Prerequisite: A 200-level course in cultural anthropology or consent of instructor; or graduate standing.

ANTH 465  Oceania's Peoples and Cultures  credit: 3 or 4 Hours.
Survey of the Pacific Islands; regional geography, human ecology, culture history, and ethnography of Melanesia, New Guinea, Polynesia, New Zealand, Micronesia, and Australia; and some consideration of Pacific ethnology and the role of Oceania in the modern world. Same as ASST 465. 3 undergraduate hours. 3 or 4 graduate hours. Prerequisite: ANTH 102 and ANTH 103, or consent of instructor.

ANTH 466  Class, Culture and Society  credit: 4 Hours.
Social hierarchies in a variety of cultural contexts; industrial societies and the process of industrialization; looks at other social forms for the purposes of comparison. A variety of social theories will be discussed and compared through ethnographic studies. 4 undergraduate hours. 4 graduate hours. Prerequisite: ANTH 103 and ANTH 230 or graduate standing.
ANTH 467 Cultures of Africa credit: 3 or 4 Hours.
Culture and social organization in traditional African societies with emphasis on the politics, kinship, and religion of a small sample of societies illustrating the main cultural variations found in sub-Saharan Africa; some discussion of ecological factors and ethnic group relations in precolonial times. 3 undergraduate hours. 3 or 4 graduate hours. Prerequisite: ANTH 230 or consent of instructor.

ANTH 468 Religions of Africa credit: 3 or 4 Hours.
Explores a variety of religious traditions and experiences in sub-Saharan Africa from an anthropological perspective. Local, indigenous traditions are emphasized, but African experiences of Islam and Christianity are also covered. Same as AFST 468 and RLST 468. 3 undergraduate hours. 4 graduate hours. Prerequisite: A 200-level course in cultural anthropology or consent of instructor; or graduate standing.

ANTH 469 Kinship-Culture-Power-Africa credit: 2 or 4 Hours.
To present the classic approaches to kinship in anthropology that were developed for Africa; to explore the variety of kinship arrangements and strategies that exist in Africa; and to expose students to the panoply of contemporary critiques of classic works on kinship in Africa, and contemporary alternatives to them. Same as AFST 467. 2 or 4 undergraduate hours. 2 or 4 graduate hours. Prerequisite: For students outside anthropology or African Studies, at least one previous course in cultural anthropology is strongly recommended.

ANTH 471 Ethnography through Language credit: 3 or 4 Hours.
Overview of theoretical perspectives and methodologies in linguistic anthropology, including sociolinguistics, ethnography of communication, performance and poetics, discursive practices, and structural analyses. 3 undergraduate hours. 4 graduate hours. Prerequisite: ANTH 230 or ANTH 270 and preferably both.

ANTH 472 Border Latina, Latino Cultures credit: 3 or 4 Hours.
Explores and examines the production of U. S. Latina/Latino identities as instances of international, cultural, historical, and social border crossings. In both regional and global contexts, we will analyze the ways in which Mexican American, Cuban American and Puerto Rican identities have been shaped by colonial relations vis-a-vis Spain and by postcolonial conditions vis-a-vis the United States. Same as LLS 472. 3 undergraduate hours. 4 graduate hours. Prerequisite: ANTH 103, and ANTH 259 or ANTH 359.

ANTH 473 Museums and Communities credit: 3 or 4 Hours.
Examination of museums and members of ethnographic source communities, and the development of new curatorial practices that incorporate source community needs and views. 3 undergraduate hours. 4 graduate hours.

ANTH 477 Pottery Analysis credit: 3 or 4 Hours.
Introduction to the theories and techniques of pottery analysis for archaeologists. In addition to presentation and discussion of the major literature, there is hands-on practice making, drawing, breaking and analyzing pottery. 3 undergraduate hours. 4 graduate hours. Prerequisite: ANTH 220 or consent of instructor.

ANTH 478 African Immigrants in Europe credit: 3 or 4 Hours.
Examines the pressing issues facing the new European Union as the realities of multicultural continent shape the daily lives of all. Begins with EU policy and theoretical models of immigration, but most readings emphasize perspectives of Africans’ own experiences as immigrants and refugees in Europe. Same as AFST 478 and EURO 478. 3 undergraduate hours. 4 graduate hours. Prerequisite: One prior 300-level anthropology or related social science course, or consent of instructor.

ANTH 479 Race, Medicine, and Society credit: 3 or 4 Hours.
Same as AAS 479 and LLS 479. See LLS 479.

ANTH 480 Intrepreve Anthrooplogy credit: 4 Hours.
Focus on recent developments in symbolic and interpretive anthropology; topics covered include writing the ethnographic text, subject-object relations, critical reflection on fieldwork, construction of the self, dialogism, practice, performance, narrative, power, and representation. 4 undergraduate hours. 4 graduate hours. Prerequisite: ANTH 421 and ANTH 463, or similar courses in anthropology, the social sciences, or the humanities, and consent of instructor.

ANTH 481 Andean Ethnography credit: 3 or 4 Hours.
Survey of Andean cultures at the time of the Spanish conquest, of their subsequent history, and of modern Indian culture in the Andean countries. 3 undergraduate hours. 3 or 4 graduate hours. Prerequisite: ANTH 182, ANTH 230 or consent of instructor.

ANTH 484 Asian Diasporas credit: 3 or 4 Hours.
Comparative study of Asian diasporic communities in various world regions through ethnography. Introduces concepts of transnationalism, globalization, and modernity in relation to Asian migration in contemporary times. Same as AAS 484. 3 undergraduate hours. 4 graduate hours. Prerequisite: ANTH 184 or ANTH 284 or consent of instructor.

ANTH 486 Peoples of Mainland SE Asia credit: 3 or 4 Hours.
Culture, cultural history, and social systems of mainland Southeast Asia: Burma, Thailand, Cambodia, Vietnam, Laos, Assam Hills, upland southwestern China, and Malaya; emphasis on the interaction of complementary ethnic types in the context of local ecology and the Hindu-Buddhist systems of religion and politics of the lowland states. Same as ASST 486. 3 undergraduate hours. 3 or 4 graduate hours. Prerequisite: ANTH 220 or ANTH 230, or consent of instructor.

ANTH 488 Modern Europe credit: 4 Hours.
Historical studies which deploy anthropological methods in the study of early modern and modern Europe; looks at processes of twentieth century modernization through ethnographic studies. Western, Central and Eastern Europe will all receive attention, but the study of Western Europe will predominate. 4 undergraduate hours. 4 graduate hours. Prerequisite: ANTH 103 and ANTH 230 or three history courses or graduate standing.

ANTH 489 The Ethnography of Korea credit: 3 or 4 Hours.
Same as EALC 469. See EALC 469.

ANTH 495 Honors Senior Thesis credit: 2 to 4 Hours.
A requirement for all seniors writing honors thesis and who are candidates for departmental distinction in anthropology. 2 to 4 undergraduate hours. No graduate credit. Prerequisite: Senior standing; ANTH 391; 3.6 GPA in anthropology; 37 hours of anthropology courses, 9 hours of related courses, and consent of instructor.

ANTH 496 Individual Field Research credit: 3 or 4 Hours.
Supervised participation in field research in ethnography, ethnology, linguistics, or social anthropology; techniques, methods, and procedures discussed and practiced under actual working conditions. 3 undergraduate hours. 4 graduate hours. May be repeated if topics vary. Usually offered in the summer session only. Prerequisite: ANTH 230; some knowledge of the language of the area concerned; consent of instructor. Normally taken concurrently with ANTH 497.
ANTH 497  Individual Field Data Analysis  credit: 3 or 4 Hours.  
Analysis, interpretation, evaluation, and organization of field data in 
cultural anthropology; preparation of written reports on research in 
ethnography, ethnology, linguistics, or social anthropology. May be taken 
concurrently with ANTH 496 or subsequently. 3 undergraduate hours. 4 
graduate hours. May be repeated if topics vary. Prerequisite: ANTH 230; 
some knowledge of the language of the area concerned; consent of 
instructor.

ANTH 498  Senior Seminar  credit: 3 Hours.  
Each seminar considers a topic or issue of current interest in 
anthropology. 3 undergraduate hours. No graduate credit. May be 
repeated to a maximum of 6 hours if topics vary. Prerequisite: ANTH 102 
and ANTH 103, two additional anthropology courses, a grade-point 
average of 3.25 in anthropology courses, and consent of instructor.

ANTH 499  Topics in Anthropology  credit: 4 Hours.  
Research seminar on specialized topics in anthropology. 4 undergraduate 
hours. 4 graduate hours. May be repeated. Prerequisite: Consent of 
instructor.

ANTH 502  Ethnicity and Nationalism  credit: 2 or 4 Hours.  
Examines ethnic and national identities, their interactions, and the 
implications for them and of them within increasingly translocal, 
transnational, and global historical contexts. 2 or 4 graduate hours.

ANTH 503  Seminar on States & Governance  credit: 4 Hours.  
Explores theories of the state and governance through an anthropological 
perspective. Theoretical issues covered will include political economy, 
sovereignty, biopolitics, and empire across a range of social settings will 
attend to issues of race, class, gender, and sexuality. 4 graduate hours. 
No professional credit. May be repeated in separate terms up to 8 hours, 
if topics vary. Prerequisite: Grad Students only.

ANTH 504  Colonialism & Postcolonialism  credit: 4 Hours.  
Course examines the history of colonialism and post-colonialism in 
anthropological perspective. The relations of history and anthropology 
are explored through ethnographic studies that problematize historical 
memory. Theoretical works about colonized people will be debated and 
discussed. Same as HiST 519. Prerequisite: Graduate standing.

ANTH 505  Global Modernities  credit: 4 Hours.  
Examines the notion of "alternative" modernities: is "modernity" always 
imitative of the West, or under globalization does it emerge independently 
in local cultures? Does it obliterate local "tradition", or can it function 
as site of creativity and resistance? What are its implications for 
anthropological fieldwork methods and writing styles? Prerequisite: 
Graduate standing or consent of instructor.

ANTH 508  Feminism, Gender and Sexuality  credit: 4 Hours.  
Theoretical issues raised in recent feminist writings in anthropology. 
Theoretical approaches to be explored include constructionist, 
past/modern, textual and historical materialist perspectives. Selected 
contemporary ethnographies introduce the integration of feminist theory 
into data analysis. Same as GWS 508. Prerequisite: Graduate standing or 
consent of instructor.

ANTH 511  Research Proposal Seminar  credit: 4 Hours.  
This seminar guides graduate students in designing a doctoral research 
project and writing a grant proposal. Focus is on developing a cogent 
theoretical framework, articulating significance of the project, identifying 
appropriate research methods, and considering ethical issues. Seminar 
format allows regular feedback from peers to clarify and hone ideas. 
Prerequisite: Graduate standing in anthropology or consent of instructor.

ANTH 512  Language in Culture I  credit: 4 Hours.  
This first of our two core theoretical courses in linguistic anthropology 
pays particular attention to language in culture. Examines the historical 
development of the field and its debates, and its relationships with socio-
cultural anthropology. Develops theoretical and critical analytical skills 
needed in contemporary ethnographic research. Same as LING 512. 
Approved for both letter and S/U grading. Prerequisite: Graduate 
standing.

ANTH 514  Seminar in Cognitive Science  credit: 2 or 4 Hours.  
Same as PSYC 514, CS 549, EPSY 551, LING 570, PHIL 514. See 
PSYC 514.

ANTH 515  Seminar in Anthropology  credit: 2 or 4 Hours.  
Analysis of selected topics of special interest in anthropology. May be 
repeated to a maximum of 8 hours in the same or subsequent semesters.

ANTH 517  Anthro Approach to Memory  credit: 4 Hours.  
Explores individual memory, the construction of memories in collective 
practice, and the orchestration of memory in social institutions such as 
museums and ritual. Reflects critically on primary sources, to integrate 
theory and ethnography and to compare alternative approaches. 
Approved for both letter and S/U grading. Prerequisite: Graduate 
standing.

ANTH 518  Language in Culture II  credit: 4 Hours.  
Part II of the core theoretical seminar in linguistic anthropology. 
Continues examination of historical developments in the sub-field 
and its debates, and relationships with socio-cultural anthropology. 
Develops theoretical and critical analytical skills needed in contemporary 
ethnographic research. Same as LING 518. Prerequisite: Graduate 
Standing.

ANTH 520  Cultural Heritage Proseminar  credit: 1 Hour.  
Broad introduction to the most current perspectives on cultural heritage 
theory and practice based on state-of-the-art lectures from faculty in 
multiple departments across campus. Each professor synthesizes the 
key ideas from his/her discipline and illustrates this material with a case 
study from his/her own research. The course provides students with a 
fundamental corpus of knowledge in the cultural heritage field and 
prepares them for further coursework and training in this field. 1 graduate 
hour. No professional credit. Prerequisite: Graduate standing required.

ANTH 523  Dynamic Embodiment  credit: 4 Hours.  
Examines anthropological theories and methods for understanding 
systems of body movement and performance in cultural contexts. 
Explores the study of everyday skills as well as the expressive 
complexities of dances, gestural systems, sacred and secular ritual, 
sign languages, sports, theater, and martial arts. Prerequisite: Graduate 
standing.

ANTH 532  Dissertation Writing Seminar  credit: 4 Hours.  
Through reading style handbooks, theoretical works on the nature 
of writing, and published dissertations in anthropology, as well as 
completing specific dissertation writing assignments, this course 
provides a forum for advanced doctoral students to outline and complete 
substantial work on their doctoral thesis. The class format is a workshop 
in which every student circulates dissertation chapters for discussion 
by the instructor and other class members. Prerequisite: Students must 
have completed all requirements for the Ph.D. in anthropology but the 
dissertation, and they must have completed their doctoral fieldwork.
ANTH 540  Seminar in Bioanthropology  credit: 4 Hours.
Seminar designed to involve students in the theoretical and
methodological approaches to problem areas in physical anthropology.
May be repeated. Prerequisite: ANTH 440, ANTH 441, or ANTH 443;
consent of instructor.

ANTH 541  Ontogeny and Phylogeny  credit: 4 Hours.
Investigation of how ontogeny (growth and development) relates to
phylogeny (evolutionary change) across the course of human evolution.
Focuses on the exceptional nature of human size and shape development
and its evolution, with particular attention to the evolution of the human
skull and brain. Prerequisite: ANTH 102, ANTH 240, ANTH 440 or
equivalent.

ANTH 543  Seminar in Primate Ecology  credit: 2 or 4 Hours.
Group discussions and individual presentations of research reports and
problems in fields of primate ethology, ecology, evolution, and related
subjects; topics vary each term. Same as IB 543. May be repeated.
Prerequisite: Consent of instructor.

ANTH 552  Res Prob in Archaeology  credit: 4 Hours.
Seminar oriented to current research problems in archaeology, designed
to acquaint students with theoretical and methodological aspects of
particular problems and to develop a critical perspective archaeological
research. May be repeated. Prerequisite: Consent of instructor.

ANTH 555  The Archaeology of Complexity  credit: 4 Hours.
Examines patterns of behavior archaeologists associate with complex
societies and seeks to understand if and how these behaviors generate
and/or reflect cultural complexity; theoretical literature and case studies
discussed. Major topics include chiefdoms, settlement pattern analysis,
and ideology. Prerequisite: Graduate student standing.

ANTH 557  Social Construction of Space  credit: 4 Hours.
Consideration of anthropological, archaeological, and related disciplinary
perspectives on space, place, landscape, the built environment, and
architecture. Coursework encompasses critical review of major
theoretical literature and case studies of ancient and modern societies.
Same as LA 552. Prerequisite: Consent of instructor.

ANTH 559  Social Norms and Law  credit: 4 Hours.
Exploration of the interaction of social norms and formal legal rules.
Norms provide social rules of expected behavioral responses to particular
situations, often accompanied by the threat of informal sanctions,
and provide cognitive categories for perceiving and ordering one's
experiences. Explores these subjects using examples from various areas
of legal doctrine, such as property, contracts and bargaining, crime, torts,
and taxation; examines related studies in historical and non-Western
cultures and considers the uses of anthropology in studying facets of our
own legal system. Prerequisite: Consent of instructor.

ANTH 560  Anthropology and Law  credit: 3 or 4 Hours.
Introduction to the field of legal anthropology. Addresses anthropological
theories of the nature of law and disputes, examines related studies
of legal structures in non-Western cultures, and considers the uses
of anthropology in studying facets of our own legal system. Same as
LAW 678. 4 graduate hours. 3 professional hours. Prerequisite: Consent
of instructor.

ANTH 561  Archaeological Theory  credit: 4 Hours.
Contemporary theory in archaeology. Different theoretical approaches
are examined by critically analyzing seminal literature within the contexts
of paradigmatic shifts in archaeology and general developments in
the discipline of anthropology, focuses on materiality and corporality.
Prerequisite: ANTH 461 or consent of instructor.

ANTH 562  Archaeology and Racialization  credit: 4 Hours.
Study of theories and methods for archaeological and historical analysis
of processes of racialization in past societies. Subjects include the
interrelation of racializing ideologies with other cultural and social
dimensions, such as class, ethnicity, gender, political and legal structures,
and economic influences. Same as AFRO 562. Prerequisite: Consent of
instructor.

ANTH 565  Race and Cultural Critique  credit: 4 Hours.
Same as AAS 561, AFRO 531, GWS 561, and LLS 561. See AAS 561.

ANTH 570  Cultural Aspects of Tourism  credit: 4 Hours.
Same as RST 570. See RST 570.

ANTH 589  Readings in Anthropology  credit: 2 or 4 Hours.
Individual guidance in intensive readings in the literature of one or more
subdivisions of the field of anthropology, selected in consultation with
the adviser in accordance with the needs and interest of the student.
May be repeated in the same or separate semesters as topics vary.
Prerequisite: One semester of graduate work in anthropology; consent of
advisor.

ANTH 590  Dissertation Readings  credit: 4 to 16 Hours.
Supervised individual investigation or study of a topic not covered by
regular courses. The topic selected by the student and the proposed
plan of study are approved by the adviser and the staff member who
supervises the work. Prerequisite: Consent of instructor.

ANTH 594  Cultural Heritage  credit: 2 or 4 Hours.
Same as LA 594. See LA 594.

ANTH 599  Thesis Research  credit: 0 to 16 Hours.
Preparation of theses. Approved for S/U grading only.
