POLITICAL SCIENCE (PS)

PS Class Schedule (https://courses.illinois.edu/schedule/DEFAULT/DEFAULT/PS)

Courses

PS 100 Intro to Political Science  credit: 3 Hours.
Surveys the major concepts and approaches employed in the study of politics. Credit is not given for both PS 100 and PS 200.
This course satisfies the General Education Criteria for:
Social Beh Sci - Soc Sci

PS 101 Intro to US Gov & Pol  credit: 3 Hours.
Examines the organization and development of national, state, and local governments in the U.S.; the federal system; the U.S. Constitutions; civil and political rights; the party system; and the nature, structure, powers, and procedures of national political institutions. This course may require limited participating as a subject in research.
This course satisfies the General Education Criteria for:
Social Beh Sci - Soc Sci

PS 125 Washington Experience  credit: 3 Hours.
An examination of political Washington and policymaking. Through visits to think tanks, nonprofit organizations and agencies we will examine the policymaking world in Washington and get to know different participants in this process, what they do, and how they interact and work to affect policy and express their ideas. This course is a required component of the Illinois in Washington Program. Prerequisite: Acceptance to and enrollment in the Illinois in Washington Program.

PS 152 The New Middle East  credit: 3 Hours.
Discussion of contemporary sociopolitical change and current events in the Middle East. We will explore the background to these events, the factors that are driving them, and the short-term and long-term implications for the region and the world. Course reflects diverse fields of study, including cultural studies, economics, education, history, law, linguistics, literature, media, religion, political science, and sociology. Same as SAME 152 and SOC 152.
This course satisfies the General Education Criteria for:
Cultural Studies - Non-West
Social Beh Sci - Soc Sci

PS 180 IntroPolitics of Globalization  credit: 3 Hours.
Introduction to the politics of globalization; identification of the principal actors, properties, and patterns of the politics of globalization that distinguish global politics from other forms of politics between and within groups, communities, states, and international organizations. This course can be used to fulfill either Western or non-Western general education categories, but not both.

PS 191 Topics in Civic Leadership  credit: 1 or 2 Hours.
Examines public and political life from the perspective of public and political leaders. Topics include professional development, career narratives, and/or development or selection of opportunities for civic or public service. May be repeated in separate terms if topics to vary to a maximum of 3 hours.

PS 199 Undergraduate Open Seminar  credit: 1 to 5 Hours.
May be repeated.

PS 200 Foundations of Pol Sci  credit: 3 Hours.
Surveys the social scientific approach to the study of politics. Credit is not given for both PS 200 and PS 100.
This course satisfies the General Education Criteria for:
Social Beh Sci - Soc Sci

PS 201 US Racial & Ethnic Politics  credit: 3 Hours.
Examines efforts by racial and ethnic communities to organize politically and by society to allocate resources based on race or ethnicity. Topical focus includes African Americans, Latinos, Asian Americans, Native Americans, and white ethnicics. The primary goal of the course is to develop a more comprehensive understanding of racial and ethnic politics by identifying commonalities and differences among these groups and their relationship to the state. Same as AAS 201, AFRO 201, and LLS 201.
This course satisfies the General Education Criteria for:
Social Beh Sci - Soc Sci
Cultural Studies - US Minority

PS 202 Religion & Politics in the US  credit: 3 Hours.
Examines how religion and politics influence each other in the United States, both historically and in contemporary society.

PS 220 Intro to Public Policy  credit: 3 Hours.
Surveys the policy process including adoption, implementation, and evaluation. Topics may include reviews of substantive policy issues such as crime, energy, environment, poverty, foreign policy, civil liberties, or economic regulation. Prerequisite: PS 100 or PS 101, or consent of instructor.

PS 222 Ethics and Public Policy  credit: 3 Hours.
Examination of the moral issues in public policy that arise in a democratic setting, utilizing conceptual tools from political and moral theory to evaluate policy decisions involving means and ends between conflicting goals. Prerequisite: PS 100, PS 101, or consent of instructor.

PS 224 Politics of the National Parks  credit: 2 or 3 Hours.
Examines the politics of national parks in the United States, including creation of parks, local support or opposition to parks, and park policy as well as policy questions such as the value of wilderness ecosystem management, endangered species protection, and role of parks in national identity and remembrance of events such as the Civil War, the Indian wars, or the civil rights movement. Same as RST 224. Additional fees may apply. See Class Schedule. May be repeated in separate terms to a maximum of 10 hours.
This course satisfies the General Education Criteria for:
Social Beh Sci - Soc Sci

PS 225 Environmental Politics & Policy  credit: 3 Hours.
Examinations of the political, economic, ecological, and cultural trade-offs between the use and the preservation of the environment, with particular emphasis on the preservation of land and water resources in national parks, forests, and other reserved lands. Same as RST 225. This course satisfies the General Education Criteria for:
Social Beh Sci - Soc Sci

PS 230 Intro to Pol Research  credit: 3 Hours.
Surveys the principles that guide empirical research in political science; emphasizes definition of research problems, principles and practices of measurement, use of data as evidence, and data analysis. Prerequisite: PS 100 or PS 101, or consent of instructor.

PS 231 Strategic Models  credit: 3 Hours.
Introduces strategic models of political behavior and their implications for our understanding of politics. Uses simple models, inspired by game theory, to examine fundamental political questions.

PS 240 Intro to Comp Politics  credit: 3 Hours.
Surveys the basic concepts and principles of political analysis from a comparative perspective.
This course satisfies the General Education Criteria for:
Social Beh Sci - Soc Sci
PS 241 Comp Politics in Dev Nations credit: 3 Hours.
Provides comparative and historical insights into the problems affecting the developing world by examining social, economic and political changes in Africa, Asia, and Latin America.
This course satisfies the General Education Criteria for: Cultural Studies - Non-West
Social Beh Sci - Soc Sci

PS 242 Introduction to Modern Africa credit: 3 Hours.
Same as AFST 222, ANTH 222, and SOC 222. See AFST 222.
This course satisfies the General Education Criteria for: Cultural Studies - Non-West

PS 243 Pan Africanism credit: 3 Hours.
Provides an introduction to Pan African political movements and ideologies from the Americas to continental Africa. Examines the political, social, economic, and ideological relationships and connections between Africans and their descendants in the diaspora from an historical and comparative perspective. Same as AFRO 243, AFST 243, and SOC 267.
This course satisfies the General Education Criteria for: Cultural Studies - Non-West
Social Beh Sci - Soc Sci

PS 270 Intro to Political Theory credit: 3 Hours.
Introduces the nature, structure, and purposes of political theory; examines major works on the problems of political order, obedience, justice, liberty, and representation to distinguish and clarify different theoretical approaches.
This course satisfies the General Education Criteria for: Humanities - Hist Phil

PS 272 Women and Politics credit: 3 Hours.
Examines the political status and roles of women. Topics include women's political behavior; feminist and anti-feminist politics; and contemporary legislative and public policy issues, such as educational equity, equal rights legislation, and health care delivery for women. Same as GWS 272.

PS 273 Environment and Society credit: 3 Hours.
Same as ESE 287, GEOG 287, NRES 287, and SOC 287. See NRES 287.
This course satisfies the General Education Criteria for: Social Beh Sci - Soc Sci
Cultural Studies - Western

PS 280 Intro to Intl Relations credit: 3 Hours.
Structure and processes of international relations, trends in international politics, and the future of the international system. Credit is not given for both PS 280 and PS 281.
This course satisfies the General Education Criteria for: Social Beh Sci - Soc Sci

PS 281 Intro to Intl Relations-ACP credit: 3 Hours.
This course is identical to PS 280 except for the additional writing component that fulfills the campus' advanced composition requirement. Credit is not given for both PS 280 and PS 281. Prerequisite: Completion of campus Composition I general education requirement.
This course satisfies the General Education Criteria for: Advanced Composition
Social Beh Sci - Soc Sci

PS 282 Governing Globalization credit: 3 Hours.
Examines the historical, socio-economic, political, and moral dimensions associated with the rise of a global society and its governance.
Prerequisite: Completion of campus Composition I general education requirement; completion of one course in a social science or consent of instructor.
This course satisfies the General Education Criteria for: Advanced Composition
Social Beh Sci - Soc Sci

PS 283 Intro to Intl Security credit: 3 Hours.
Surveys the major issues associated with arms control, disarmament and international security. Also examines the military, socio-economic, and political dimensions of weapons systems, military strategy, the ethics of modern warfare, nuclear proliferation, and regional security issues. Same as GLBL 283.

PS 289 Politics of the Vietnam War credit: 3 Hours.
Examines questions about the war in Vietnam and the era during which it was fought. Focuses on official policy questions, such as the decision making process, the legality of the war, the question of war crimes, and lessons for international relations. Domestic issues, such as the rise and effect of the antiwar movement, are also discussed. Prerequisite: Allen Hall residency or consent of Unit One director.

PS 299 Study Abroad credit: 0 to 18 Hours.
Lectures, seminars, and practical work in an approved study-abroad program in Political Science, appropriate to the student's course of study. Approved for letter and S/U grading. May be repeated to a maximum of 34 hours per academic year. Prerequisite: Overall GPA 2.75, 3.00 grade point average in Political Science, admission to approved program.

PS 300 Special Topics credit: 3 Hours.
Selected readings and research in political science. See Class Schedule for current topics. May be repeated to a maximum of 6 hours if topics vary. Prerequisite: Six hours of political science, or consent of instructor.

PS 301 The US Constitution I credit: 3 Hours.
Analyzes issues related to judicial interpretation of the constitution; the separation of governmental powers; federalism; checks and balances among the three branches of the national government; and the jurisdiction of federal courts. Prerequisite: PS 101, six hours of Political Science credit, or consent of instructor.

PS 302 The US Constitution II credit: 3 Hours.
Analyzes issues involved in free speech, freedom of religion, rights of the criminally accused, and government's responsibility to protect persons from discrimination based on race or sexual preference. Pays special attention to the role of law and judges. Prerequisite: PS 101, six hours of Political Science credit, or consent of instructor.

PS 303 The US Congress credit: 3 Hours.
Examines the legislative function in government; the structure and organization of Congress; legislative procedures; pressure groups and lobbying; the relation of legislature to other branches of government; and problems of legislative reorganization. Prerequisite: PS 101, six hours of Political Science credit, or consent of instructor.

PS 304 The US Presidency credit: 3 Hours.
Examines the multiple roles of the president; the determinants and growth of presidential influence; presidential decision making; the president's role in the formulation and implementation of public policy; and the president's multiple constituencies. Prerequisite: PS 101, six hours of Political Science credit, or consent of instructor.
PS 305  The US Supreme Court  credit: 3 Hours.
Examines how the modern Supreme Court resolves major issues in American constitutional politics. Prerequisite: PS 101, six hours of Political Science credit, or consent of instructor; PS 301 or PS 302.

PS 306  Judicial Politics  credit: 3 Hours.
Introduction to the study of courts and judges as political institutions and actors. Focuses primarily on federal courts in the United States, but also covers courts in the American states. Addresses topics such as how judges are selected; who or what determines which cases are heard; the influence of ideology and the law on judges’ decisions; the relationships that exist between the courts in the judiciary; the role of the president and the Senate in judicial decisions; and judges’ decisions that run contrary to the public’s wishes. Prerequisite: PS 101.

PS 307  Separation of Powers  credit: 3 Hours.
Examines how the checks and balances built into the US Constitution affect the interactions between the Executive, Legislative, and Judicial branches. Addresses topics such as whether Congress is less productive during times of divided government; why some presidential nominees sail through confirmation, while others take years to be confirmed; and whether Supreme Court justices pay attention to the preferences of the President and Congress when deciding cases. Prerequisite: PS 101.

PS 308  Politics, Policy & Regulation  credit: 3 Hours.
Explores how federal agencies (e.g., the Environmental Protection Agency, and the Department of Defense) shape national policy. Provides students with a background in the concepts and ideas that political scientists use in the study of the federal bureaucracy, and motivates further study of political institutions. Students will use traditional political science and legal texts to analyze contemporary policy problems. Prerequisite: PS 101.

PS 309  State Gov in the US  credit: 3 Hours.
Surveys the origins and evolution of state government in the United States. Topics include history, structure and dynamics of state governments, laws and the judiciary, state legislatures, political parties, organized interests, bureaucracies, demographic change and electoral patterns, and political conflicts, and coalitions. Prerequisite: PS 101, six hours of Political Science credit, or consent of instructor.

PS 310  Politics of Organizations  credit: 3 Hours.
Introduction to the study of public organizations with a focus on formal political organizations including parties, legislatures, and bureaucracies. In-depth analysis of two of the main problems confronted by organizations: collective action problems and delegation problems. Students will acquire an understanding of these problems as well as different ways in which they can be addressed. A strong emphasis is also placed on developing the analytical skills necessary for informed analysis of political interactions involving formal organizations. Prerequisite: PS 101, six hours of Political Science credit, or consent of instructor.

PS 311  Political Parties in the US  credit: 3 Hours.
Examines the organization and operation of the American party system; national, state, and local organizations and their interactions; the convention and primary systems; and campaign methods and finance. Prerequisite: PS 101, six hours of Political Science credit, or consent of instructor.

PS 312  Politics and the Media  credit: 3 Hours.
Examines the processes of mass-mediated political communication in democratic societies. Special emphasis will be given to the role of news media in democratic theory, factors shaping the construction of news such as journalism routines, media economics, and the strategic management of news by political elites. Same as CMN 325 and MACS 322.

PS 313  Congress and Foreign Policy  credit: 3 Hours.
Examines cases of foreign-policy making over 100 years with a focus on the struggle between the legislative and executive branches, constitutional questions, explanations for changes in behavior, and the impact on democratic process. Prerequisite: PS 101, six hours of Political Science credit, or consent of instructor.

PS 314  Political Psychology  credit: 3 Hours.
Explores the psychological processes that underlie political attitudes and behaviors. Specifically, we will take theories from social, personality, cognitive, and evolutionary psychology and apply them to political phenomena. Topics will include how politics is affected by cognitive biases, emotions, persuasion, social influence, identity, prejudice and discrimination, personality, and evolution and genetics. We will also explore what we can learn about basic human psychology by studying politics carefully. Prerequisite: PS 101.

PS 315  African American Politics  credit: 3 Hours.
Examines the role of race in stimulating change in American political life; types of strategies employed in the civil rights struggle; how race affects electoral participation and the broader political and economic conditions of African Americans. Same as AFRO 315. Prerequisite: PS 101, six hours of Political Science credit, or consent of instructor.

PS 316  Latina/Latino Politics  credit: 3 Hours.
Examines the role of Latino electorates in shaping state and national politics. Reviews the histories of Latino national origin groups, examines public policy issues of concern to Latinos, successes and failures of Latino empowerment strategies, and the electoral impact of Latino votes. Focus will be primarily on Mexican Americans, Puerto Ricans, and Cuban Americans and an assessment of the degree to which their political agendas are likely to merge over the coming years. Same as LLS 316. Prerequisite: PS 101, six hours of Political Science credit, or consent of instructor.

PS 317  Asian American Politics  credit: 3 Hours.
Provides an overview of the role of Asian Americans in the American political system. Topics include: the international context of emigration, the history of different Asian groups in the U.S., demographic patterns, issues of identity, classification, and pan-ethnicity, voting behavior, minority representation, and public policy. Same as AAS 317. Prerequisite: PS 101, six hours of Political Science credit, or consent of instructor.

PS 318  Interests Grps & Soc Movements  credit: 3 Hours.
Focuses on two important forces in American politics that provide ways for citizens to affect public policy: interests groups and social movements. Examination of organized interest groups, including their organization, growth, activity, and impact in American politics. Examines the formation and role of social movements. Prerequisite: PS 101, six hours of Political Science credit, or consent of instructor.

PS 319  Campaigns and Elections  credit: 3 Hours.
Examines the dynamics of United States congressional and presidential campaigns, including electoral rules, campaign organization and finance, candidate strategy, role of parties, interest groups, and the media, campaign effects, and proposals for reform. Prerequisite: PS 101 or six hours of Political Sciences credit.
PS 320  **Public Opinion**  credit: 3 Hours.
Examines the nature of public opinion in contemporary American politics. Considers the extent to which public opinion is organized by ideology, values, party identification and other group-related identities. Will analyze both the sources and consequences of public opinion and the nature of public support for democracy and democratic institutions. Will investigate the relationship between public opinion and policymaking. Prerequisite: PS 101.

PS 321  **Principles of Public Policy**  credit: 3 Hours.
Examines different approaches to evaluating the performance of public sector organizations, including private sector accountability principles. Focuses on how to improve the performance of governmental agencies, as well as corporate social responsibility. Same as ACCY 321, ACE 321, and BADM 303. Prerequisite: PS 101, six hours of Political Science credit, or consent of instructor.

PS 322  **Law and Public Policy**  credit: 3 Hours.
Examines the nature of law, law makers, and law appliers; the determinants of law-making; and the societal impact of law. Prerequisite: PS 101, six hours of Political Science credit, or consent of instructor.

PS 323  **Law and Representation**  credit: 3 Hours.
Examines political and legal policies related to electoral representation including constitutional protections of voting rights and related topics such as a gerrymandering, vote counting, majority minority districts, and the Voting Rights Act. Prerequisite: PS 101 or six hours of Political Science credit or consent of instructor.

PS 328  **Introduction to Biology and Politics**  credit: 3 Hours.
Examines the biological processes that underlie political attitudes and behaviors. Specifically, we will take theories from behavioral and molecular genetics, psychophysiology, neuroscience, and evolutionary psychology and apply them to political attitudes and behaviors. Topics will include how evolutionary adaptations shape political life, how genes affect political traits, the effects of physiological differences on how people experience the political world, and what political insights can be drawn from studying differences in brain structures and functioning. Prerequisite: PS 101.

PS 329  **Immigration & Citizenship**  credit: 3 Hours.
Examines the conceptual issues associated with citizenship and immigration, considering current political debates from a variety of perspectives: empirical, historical, and normative. Focuses on the United States but will also examine the immigration and citizenship processes of other nations as well. Among topics considered: why people migrate; consequences of migration; efforts to integrate immigrants; public opinion, citizenship traditions and rationales; membership, belonging, and national identity; post national citizenship. Prerequisites: PS 101, 6 hours of Political Science credit, or consent of instructor.

PS 330  **Intro to Political Behavior**  credit: 3 Hours.
Analyzes the relationship between political attitudes and public opinion formation. The course also discusses political participation, political tolerance, and attitudes toward political leaders. Prerequisite: POLS 101, six hours of Political Science credit, or consent of instructor.

PS 331  **Intro to Electoral Behavior**  credit: 3 Hours.
Examines the social, psychological and institutional determinants of individual voting decisions. Prerequisite: POLS 101, six hours of Political Science credit, or consent of instructor.

PS 339  **Political Violence**  credit: 3 Hours.
Survey of various forms of political violence and examination of competing theories about why these types of political violence occur and their implications. The different "categories" of violence under examination constitute pressing topics in the study of conflict in both international relations and comparative politics. These categories, which may overlap conceptually or empirically, include phenomena such as mass collective action in protests, riots, repression and torture, coups, civil war and insurgency, genocide and massacres, sexual violence during war, self sacrifice, and terrorism. Prerequisite: PS 240 or PS 241 or PS 280, six hours of Political Science credit, or consent of instructor.

PS 340  **Politics in Intl Development**  credit: 3 Hours.
Examines the ways in which the wealthy countries of the world, international organizations and non-governmental organizations have tried to catalyze or facilitate economic and human development in the poorer countries of the world. Prerequisite: PS 240 or PS 241 or PS 281, or six hours of Political Science credit, or consent of instructor.

PS 341  **Gov & Pol in Africa**  credit: 3 Hours.
Examines contemporary economic, social, and political processes in Africa, focusing on three basic explanatory themes: historical patterns of development; emerging patterns of class and interest; and leadership strategies. Same as AFRO 341. Prerequisite: PS 240 or PS 241, six hours of Political Science credit, or consent of instructor.

PS 343  **Gov & Pol of China**  credit: 3 Hours.
Introduces the government and politics of modern China. Same as EALC 343. Prerequisite: PS 240 or PS 241, six hours of Political Science credit, or consent of instructor.

PS 345  **Gov & Pol of SE Asia**  credit: 3 Hours.
Provides a comparative analysis of the political development of the countries of Southeast Asia. Emphasis is placed on differing approaches to the governance and public policy formation, as well as economic, social, historical, and cultural influences on political development. Prerequisite: PS 240 or PS 241, six hours of Political Science credit, or consent of instructor.

PS 346  **Gov & Pol of South Asia**  credit: 3 Hours.
Provides a comparative analysis of the political development of India, Pakistan, Sri Lanka, and other nations in South Asia. Emphasis is placed on the differing approaches to governance and public policy formation, as well as the economic, social, historical, geographical and cultural influences on political development. Same as ASST 346. Prerequisite: PS 240 or PS 241, six hours of Political Science credit, or consent of instructor.

PS 347  **Gov & Pol of Middle East**  credit: 3 Hours.
Analyzes the transformation of Middle Eastern society from Morocco to Iran, as case studies in political modernization. The politics of the area are studied with special reference to causes and character of modernization, role of leadership, ideologies and institutions, methods and theories for analyzing political systems undergoing fundamental transformation, and implications for U. S. policy. Same as ASST 347. Prerequisite: PS 240 or PS 241, six hours of Political Science credit, or consent of instructor.

PS 348  **Gov & Pol in Western Europe**  credit: 3 Hours.
Examines the major governmental systems of continental Europe; the evolution, structure, and functioning of the political institutions of France, Germany, Italy, Spain, Switzerland, and the Scandinavian countries. Prerequisite: PS 240 or PS 241, six hours of Political Science credit, or consent of instructor.
PS 351 Gov & Pol Post-Soviet States  credit: 3 Hours.
Examines the evolution, structure, and functioning of post-Soviet
governments. Prerequisite: PS 240 or PS 241, six hours of Political
Science credit, or consent of instructor.

PS 352 Gov & Pol of East Europe  credit: 3 Hours.
Examines the collapse of communism and efforts to develop capitalism
democracy. Special emphasis is given to national conflict and
European integration. Prerequisite: PS 240 or PS 241, six hours of
Political Science credit, or consent of instructor.

PS 353 Gov & Pol of Latin America  credit: 3 Hours.
Examines the origin and development of Latin American political
institutions. Prerequisite: PS 240 or PS 241, six hours of Political Science
credit, or consent of instructor.

PS 355 Democratization  credit: 3 Hours.
Examines the global process of democratization, with special attention to
gains and failures in selected areas since 1974. Prerequisite: PS 240 or
PS 241, six hours of Political Science credit, or consent of instructor.

PS 356 Comparative Political Economy  credit: 3 Hours.
Examines the effect of domestic political processes on economic
performance, including monetary, fiscal, and trade policies. Topics
include partisan influences on policy, interest group intermediation,
political accountability for economic outcomes, and consequences of
product and capital market internationalization. Same as GLBL 356.
Prerequisite: PS 240 or PS 241, six hours of Political Science credit, or
consent of instructor.

PS 357 Ethnic Conflict  credit: 3 Hours.
Examines the bases of nationalist and ethnic identities across a variety of
different national and cultural contexts, and how these are related to
conflict at the intrastate and interstate levels. Consideration is given to
the characteristics and patterns of ethnic conflict with special emphasis
on how and when ethnic tensions become manifested in violent conflict.
The course concludes with consideration and evaluations of various
domestic and international approaches to conflict management and
resolution. Same as GLBL 357. Prerequisite: PS 240 or PS 241, six hours of
Political Science credit, or consent of instructor.

This course satisfies the General Education Criteria for:
Advanced Composition.

PS 358 Comparative Political Behavior  credit: 3 Hours.
Examines themes of political behavior such as political participation,
electoral politics, political culture, and contentious politics from a cross-
national perspective. Prerequisite: PS 240, or PS 241, or six hours of
Political Science credit.

PS 371 Classical Political Theory  credit: 3 Hours.
Considers the major works of Greek and Roman political theory, stressing
their relevance to modern political analysis and action. Prerequisite: PS
270, six hours of Political Science credit, or consent of instructor.

PS 372 Modern Political Theory  credit: 3 Hours.
Provides critical analysis of political theories from the fifteenth century
to the present. The discussions focus on topics such as the development
of conceptions of human nature, the role of the state, justice, legitimacy,
obligation, individual rights, equality, and mechanisms of maintenance
and change. Prerequisite: PS 270, six hours of Political Science credit, or
consent of instructor.

PS 373 Democratic Theory  credit: 3 Hours.
Examines theories of the nature and conditions of democracy; compares
and analyzes contemporary democratic institutions. Prerequisite: PS 270,
six hours of Political Science credit, or consent of instructor.

PS 374 Future Politics  credit: 3 Hours.
Examines visions of the future drawn from science fiction literature as
a way to engage with political and social theory and to cultivate the
political imagination. Prerequisite: Six hours of political science credit or
consent of instructor.

PS 375 American Political Theory  credit: 3 Hours.
Examines themes of political behavior such as political participation,
electoral politics, political culture, and contentious politics from a cross-
national perspective. Prerequisite: PS 240 or PS 241, six hours of
Political Science credit, or consent of instructor.

PS 376 Topics Contemp Pol Theory  credit: 3 Hours.
Considers political thought outside of the Greco-Roman, European, and
North American tradition. May be repeated if topics vary. Prerequisite:
PS 270, six hours of Political Science credit, or consent of instructor.

PS 377 Topics Non-Western Pol Thought  credit: 3 Hours.
Examines the evolution, structure, and functioning of post-Soviet

governments. Prerequisite: PS 240 or PS 241, six hours of Political Science
credit, or consent of instructor.

PS 378 American Political Theory  credit: 3 Hours.
Surveys American political thought from colonial times to the present.
Prerequisite: PS 270, six hours of Political Science credit, or consent of
instructor.

PS 379 Intl Rel & Domestic Politics  credit: 3 Hours.
Examines conceptual linkages between international relations and
domestic politics. Emphasizes theoretical explanations of and empirical
evidence for these linkages. Prerequisite: PS 280 or PS 281, or six hours of
Political Science credit, or consent of instructor.

PS 380 International Cooperation  credit: 3 Hours.
A study of cooperation among states. Cooperation dilemmas and their
solutions, with focus on institutional arrangements that are aimed to
facilitate cooperation among states. Prerequisite: PS 280 or PS 281, six
hours of Political Science credit, or consent of instructor.

PS 382 Intl Political Economy  credit: 3 Hours.
Examines the interaction between international politics and economics;
locates ideologies and practices in the context of international economic
relations. Considers such topics as international trade, the global
monetary order, multi-national corporations, economic aid relationships,
and food and energy politics. Prerequisite: PS 280 or PS 283, six hours of
Political Science credit, or consent of instructor.

PS 384 Politics of Globalization  credit: 3 Hours.
Examines the bases of nationalist and ethnic identities across a variety of
different national and cultural contexts, and how these are related to
conflict at the intrastate and interstate levels. Consideration is given to
the characteristics and patterns of ethnic conflict with special emphasis
on how and when ethnic tensions become manifested in violent conflict.
The course concludes with consideration and evaluations of various
domestic and international approaches to conflict management and
resolution. Same as GLBL 357. Prerequisite: PS 240 or PS 241, six hours of
Political Science credit, or consent of instructor.

PS 385 Politics of the European Union  credit: 3 Hours.
Considers the history of the European Union and its current functions
and operations. Focuses on the ongoing process of political and cultural
integration. Consists of sections in Illinois and abroad, interacting
extensively via the worldwide web. Same as EURO 385, FR 385, and
GER 385. Prerequisite: PS 240 or PS 241, six hours of Political Science
credit, or consent of instructor; cross-listings require language training
appropriate for enrollment in the respective overseas programs.
PS 386  International Law  credit: 3 Hours.
Examines the concepts and bases of public international law. Topics include sources and subjects of international law, as well as issues of jurisdiction, territory, law of the sea, and use of military force. Prerequisite: PS 280 or PS 283, six hours of Political Science credit, or consent of instructor.

PS 387  National Security Policy  credit: 3 Hours.
Examines principal theories of international security and evaluates their capacity to explain the security behavior of states and other key international actors. Prerequisite: PS 280 or PS 283, six hours of Political Science credit, or consent of instructor.

PS 389  International Communications  credit: 3 Hours.
Same as MACS 389. See MACS 389.

PS 390  American Foreign Policy  credit: 3 Hours.
Considers the major foreign policy decisions currently confronting the United States government: analyzes their background, principal issues, and alternative actions, as well as the policy formulation process. Prerequisite: PS 280 or PS 283, six hours of Political Science credit, or consent of instructor.

PS 391  Soviet & Post-Sov Foreign Pol  credit: 3 Hours.
Surveys Soviet and Post-Soviet foreign policy from 1917 to the present, with emphasis upon the forces shaping this policy; special attention to the interplay of ideology and national interest in policy formulation. Prerequisite: PS 280 or PS 283, six hours of Political Science credit, or consent of instructor.

PS 392  Intl Organizations&Regionalism  credit: 3 Hours.
Examines regionalism and regional international organizations and their consequences for multilateralism cooperation, and conflict. Prerequisite: PS 280.

PS 393  Diplomatic Studies Practicum  credit: 4 Hours.
Practical introduction to the study of international organizations, consisting of three parts: academic modules in Urbana-Champaign; guest lectures and site visits in Vienna, Austria, and field trips TBA; and a final research paper based on fieldwork in Vienna, extending into late June. Enrollment requires prior admission to the Vienna Diplomatic Program.

PS 394  Crisis Diplomacy  credit: 3 Hours.
A comparative study of foreign policy decision-making and diplomacy among the major states from 1816-1948 with a focus on crisis bargaining, management, and escalation. Foreign relations of Britain, France, Germany, Russia, Italy, Japan, and the United States are covered in light of international relations theories. Emphasis is placed on how domestic political struggles, like those between hard liners and accommodationists, and external factors, like alliances and international norms, affect decision-making. Comparisons are made between those crises that are peacefully settled and those that escalate to war and/or get out of control. Prerequisite: PS 280, PS 281, PS 283, or consent of instructor.

PS 395  International Organization  credit: 3 Hours.
Examines the development of basic principles underlying world organization; also considers the principles, structure, methods, and operation of international governmental institutions. Gives special attention to the United Nations and related agencies and to their evolution from the League of Nations system. Credit is not given for both PS 383 and PS 395. Prerequisite: PS 280 or PS 281 or PS 283, six hours of Political Science credit, or consent of instructor.

PS 396  International Conflict  credit: 3 Hours.
Examines the conditions that promote war and peace between states. General topics covered are: historical patterns in warfare; causes of war, including arms races and power distributions; outcomes of war; and approaches to peace. Credit is not given for both PS 381 and PS 396. Prerequisite: PS 280 or PS 281 or PS 283, six hours of Political Science credit, or consent of instructor.

PS 397  Authoritarian Regimes  credit: 3 Hours.
Examines the various aspects of the politics in authoritarian regimes: their emergence and breakdown, the policy choices and institutions typically adopted, leadership change, and the theories that explain them. Historical case studies and statistical data will be used to examine real-world cases. Prerequisite: PS 240 or PS 241; or six hours of Political Sciences credit; or consent of instructor.

PS 398  Strategic Intntl Relations  credit: 3 Hours.
Examines the conditions that promote war and peace between states. General topics covered are: historical patterns in warfare; causes of war, including arms races and power distributions; outcomes of war; and approaches to peace. Credit is not given for both PS 381 and PS 396. Prerequisite: PS 280 or PS 281 or PS 283, six hours of Political Science credit, or consent of instructor.

PS 399  Politics of International Treaties  credit: 3 Hours.
Treaties are agreements between sovereign states governed by international law. This course examines why countries commit to treaties and why they comply with them. It will provide advanced undergraduate students with the opportunity to read a range of scholarly works on international agreements and to conduct their own research on related topics. Prerequisite: PS 280.

PS 408  Islam & Politics in Mid. East  credit: 3 or 4 Hours.
Same as REL 408 and SAME 408. See REL 408.

PS 410  Neighborhoods and Politics  credit: 3 or 4 Hours.
Introduction to the social and political impacts of neighborhood life through readings, discussion, and field work. The political theories of local social networks, social ecology, the social context, third places, the physical form, and public space are examined. Students do library research and field work examining theories of social capital, civic engagement, new urbanism, public space, social context and urban form. Same as HDES 410. 3 undergraduate hours. 4 graduate hours. Prerequisite: PS 100 or PS 101 or consent of instructor.

PS 411  Campaigning to Win  credit: 3 or 4 Hours.
Same as CMN 424. See CMN 424.

PS 413  Sex, Power and Politics  credit: 3 or 4 Hours.
Same as GWS 478. See GWS 478.

PS 415  Europe and the Mediterranean  credit: 3 or 4 Hours.
Same as EURO 415 and ITAL 415. See EURO 415.

PS 418  Language&Minorities in Europe  credit: 3 or 4 Hours.
Same as FR 418, GER 418, ITAL 418, LING 418, SLAV 418, and SPAN 418. See FR 418.

PS 456  Democracy and Identity  credit: 3 or 4 Hours.
A normative and empirical examination of the special issues surrounding the development and maintenance of democracy in plural societies. Analyzes the impact of racial, ethnic and religious diversity on citizenship, civil rights, political institutions and public policy, as well as on democratic stability more generally, in established and newly emergent democracies. 3 undergraduate hours. 4 graduate hours. Prerequisite: Consent of instructor.
PS 457  Dem Gov in a Global Setting  credit: 3 or 4 Hours.
Examination of the basic concepts and politics associated with
the emergence of a global society. Students evaluate competing
explanations for the emergence of this new politics and how and why
the global society governs itself. It examines the strengths and weaknesses
of the nation-state, markets, and democratization as responses,
respectively, to the imperatives or order, welfare, and legitimacy in the
governance of world’s peoples and states. 3 undergraduate hours. 4
graduate hours. Prerequisite: Consent of instructor.

PS 480  Energy and Security  credit: 3 Hours.
Same as GLBL 480 and NPRE 480. See NPRE 480.

PS 490  Individual Study  credit: 1 to 4 Hours.
Special topics not treated in regularly scheduled courses; designed
primarily for juniors and seniors. 1 to 4 undergraduate hours. No graduate
credit. May be repeated. Prerequisite: Evidence of adequate preparation
for such study; consent of faculty member supervising the work; and
approval of the department head.

PS 491  Internship  credit: 0 to 6 Hours.
Students follow a program of study and research related to an approved
internship under the direction of the internship director and/or a faculty
sponsor. Consult departmental undergraduate advisor or internship
director. 0 to 6 undergraduate hours. No graduate credit. Approved
for Letter and S/U grading. May be repeated to a maximum of 12
undergraduate hours. Prerequisite: 45 credit hours completed, one year
in residence at an institution of higher learning, minimum 2.5 grade point
average, coursework related to the internship, and acceptance to the
internship director or undergraduate director and by faculty sponsor.
Students enrolled in internship courses may not register for more than 18
hours total for all courses during the semester of the internship course.

PS 492  UG Research Assistance  credit: 0 to 3 Hours.
Assist departmental faculty in on-going research. Topics and nature of
assistance vary. Capstone paper required. 0 to 3 undergraduate hours.
No graduate credit. May be repeated in separate terms to a maximum of
6 hours. Credit is not given for more than nine hours toward completion of
the political science major from any combination of PS 490, PS 491,
and/or PS 492. Prerequisite: Evidence of adequate preparation for such
study; consent of faculty member supervising the work; and approval of
the department head.

PS 494  Senior Honors Seminar  credit: 3 Hours.
Research, reading, and discussion in selected topics and works in
literature of political science. A major research project is required in
preparation for PS 495. 3 undergraduate hours. No graduate credit. May
be repeated in separate terms to a maximum of 6 hours if topics vary.
Credit is not given for non-honors courses and honors seminar on the
same topic. Prerequisite: Admission to Political Science Honors Program
or consent of department.

PS 495  Senior Honors Seminar  credit: 3 Hours.
Provides an advanced overview of methodological issues in political
science especially identification of research questions and design of
research strategies in political science appropriate for a senior thesis.
Requires completion of a substantial research proposal. 3 undergraduate
hours. No graduate credit. Credit is not given for more than six hours
thereby any combination of PS 495 and PS 496. Neither PS 495 nor
PS 496 counts towards the 30 hours required for completion of the
political science major. Prerequisite: Admissions to Political Science
Honors Program or consent of instructor.

PS 496  Senior Honors Thesis  credit: 2 to 6 Hours.
2 to 6 undergraduate hours. No graduate credit. May be repeated to
a maximum of 6 hours. Prerequisite: Written consent of instructor of
department approval; open only to seniors whose major is political
science and who have a general University grade point of 3.0.

PS 501  Democratic Political Inst I  credit: 4 Hours.
Involves intensive analysis of major institutions and processes of
democratic politics (national, state, local); research on selected topics in
American government.

PS 502  Democratic Political Inst II  credit: 4 Hours.
Discusses contemporary theories about the impact of democratic
institutions on politics and policy.

PS 503  US Congress  credit: 4 Hours.
Traces the development of Congress as an institution with special
attention to the role of norms; considers intra-institutional aspects
of Congress including committee decision-making, floor voting, and
leadership; examines congressional relationships with other actors
including the presidency and Supreme Court, interest groups, and
constituents.

PS 506  Pol Parties and Elections  credit: 4 Hours.
Examines the role of political parties and elections in the political
process; traces the evolution of American parties as a political institution,
assesses their impact upon the policy-making processes, and considers
macro-level influences upon the electoral process.

PS 507  Collect Action & Interest Gps  credit: 4 Hours.
Provides a broad analysis of collective action, interest groups, and
politics; examines the meaning of political interests and the forms
they take; reviews various approaches to the study of interest groups;
analyzes the formation and operation of interest groups; examines
innovation and change in interest group politics and research.

PS 511  Proseminar Pol Behavior I  credit: 4 Hours.
Introduces interdisciplinary approaches to the analysis of political
behavior; formation of opinions, interests, roles, and beliefs.

PS 512  Proseminar Pol Behavior II  credit: 4 Hours.
Continuation of PS 511. Prerequisite: PS 511.

PS 514  Founds of Organizational Behav  credit: 4 Hours.
Same as BADM 510, PSYC 553, and SOC 575. See BADM 510.

PS 517  Civic Leadership Practicum I  credit: 2 or 4 Hours.
The practicum seminar is the capstone experience of the BA/MA Civic
Leadership Program and serves as the principal bridge between the
academic and multi-faceted practicum components of the program.
The Fellows will engage in an in-depth exploration of a predetermined
policy issue (health care, international trade, welfare reform, citizen
engagement, for example). The practicum seminar members will, over
two semesters, prepare a background paper and report with options
and recommendations, which the seminar members will be expected to
make a part of the public debate and policymaking process. Prerequisite:
Graduate standing in the Civic Leadership Program.

PS 518  Civic Leadership Practicum II  credit: 2 or 4 Hours.
Continuation of PS 517. Prerequisite: Graduate standing in the Civic
Leadership Program.

PS 519  Topics in American Politics  credit: 4 Hours.
Selected research topics designed for graduate study in American
Politics. May be repeated to a maximum of 12 hours.
Information listed in this catalog is current as of 09/2017

PS 521  Phil Bases of Pol Inquiry  credit: 4 Hours.
Reviews the scope and subject matter of political science; methodological issues in political science and major conceptions of methodology as embodied in the current literature.

PS 522  Research Design and Techniques  credit: 4 Hours.
Provides an overview of research techniques for answering questions of concern in political science; indicates the range of available tools; discusses problems in concept formation; and presents current methods of concept measurement. Prerequisite: PS 521 or consent of instructor.

PS 523  The Comparative Method  credit: 4 Hours.
Reviews strategies for systematic research based on small number of cases. Emphasis on problems of conceptualization, measurement, and analysis.

PS 524  Methods in Intl Rel  credit: 4 Hours.
Deals with major research methodologies in contemporary international relations; includes case studies, aggregate data, content analysis, survey research, gaming and simulations, and causal modeling; presumes knowledge of basic international relations theory. Prerequisite: PS 580.

PS 525  Formal Theory I: Game Theory  credit: 4 Hours.
Introduction to game theory and its applications to the study of politics. Study of the central ideas and techniques of game theory.

PS 526  Formal Theory II: Applications  credit: 4 Hours.
Survey of major topics in formal political theory and the application of key game-theoretic methods to the study of politics. Prerequisite: PS 525 or consent of instructor.

PS 530  Quant Pol Analysis I  credit: 4 Hours.
Introduction to data analysis and inferential statistics, including data collection, analysis and interpretation, sampling, and measures of statistical association and significance. Also introduces statistical software.

PS 531  Quant Pol Analysis II  credit: 4 Hours.
Second class in inferential statistics, emphasizing the linear model and assumptions behind linear models. Prerequisite: PS 530 or consent of instructor.

PS 532  Quant Pol Analysis III  credit: 4 Hours.
Select topics in inferential statistics, including models for limited dependent variables. Topics vary by semester and may include spatial econometrics, bootstrap models, ecological inference, and causal inference. Prerequisite: PS 531 or consent of instructor.

PS 540  Proseminar Comp Politics I  credit: 4 Hours.
Surveys the major works, theories, and approaches that define the field of comparative politics. The substantive focus of the course is on advanced industrial countries.

PS 541  Proseminar Comp Politics II  credit: 4 Hours.
Surveys the major works, theories, and approaches that define the field of comparative politics. The substantive focus of the course is on developing countries. Prerequisite: Completion of PS 540 is recommended.

PS 543  Global Democratization  credit: 4 Hours.
Examines the roles of domestic and international factors, modes of transition, institutional choices and economic reforms in the transition from authoritarian rule. Comparisons are made of cases in Southern and Eastern Europe, Latin America, East Asia, the former Soviet Union, and others. Prerequisite: Completion of PS 540 or PS 541 is recommended.

PS 544  Politics of African States  credit: 4 Hours.
Advanced research seminar. Focus will alternate among such topics in African politics as (a) the politics of agriculture (b) state and society (c) African political systems and the challenge of democratic practice and (d) political and economic crisis in Sub-Saharan Africa. May be repeated to a maximum of 12 hours if topics vary. Prerequisite: PS 242 and PS 341 or consent of instructor.

PS 545  Politics of Post-Soviet States  credit: 4 Hours.
Study of states which have experienced extended interludes of communist power, especially including the new states of the former Soviet Union, the post-communist regimes of Eastern Europe and China, through a comparative examination of political, economic, and ethnonational problems of regime transformation. Analytic and research papers required. Prerequisite: Completion of PS 540 or PS 541 is recommended.

PS 546  Comparative Political Behavior  credit: 4 Hours.
Examines the political behaviors and opinions of common citizens in dissimilar national contexts, focusing on the theoretical literature and empirical research on topics such as political participation, political culture and contention politics from a cross-national perspective. Prerequisite: PS 540 or PS 541.

PS 548  Political Economy  credit: 4 Hours.
Same as ECON 572. See ECON 572.

PS 549  Topics in Comparative Politics  credit: 4 Hours.
Selected research topics designed for graduate study in Comparative Politics. May be repeated to a maximum of 12 hours.

PS 571  History of Pol Theories I  credit: 4 Hours.
Reading, analysis and discussion of the leading political thinkers from the Greeks to the middle of the seventeenth century.

PS 572  History of Pol Theories II  credit: 4 Hours.
Reading, analysis and discussion of the leading political thinkers from the middle of the seventeenth century to the present.

PS 579  Topics in Pol Theory  credit: 4 Hours.
Reading, analysis and discussion of selected topics of political theory. May be repeated to a maximum of 8 hours. Prerequisite: Consent of instructor.

PS 580  Proseminar Intl Rel I  credit: 4 Hours.
Examines major theories and approaches to the study of international relations.

PS 581  International War  credit: 4 Hours.
Focuses on the conditions that influence war and peace between nation-states. Considers various factors at different levels of analysis (individual, national, dyadic, and systemic) in an attempt to understand why nations go to war. Readings will consist of current research in this topic area-without ignoring "classical" works. Prerequisite: PS 580.

PS 582  Intl Political Economy  credit: 4 Hours.
Comprehensive introduction to major traditions in contemporary thought on the political structure and workings of the global economy. Presumes background knowledge pertaining to the workings of the international economy and its institutions as well as familiarity with the assumptions and approaches of classical I. P. E. thought and International Relations theory. Prerequisite: PS 580.

PS 583  International Organizations  credit: 4 Hours.
Examines the development and operations of international organizations with special emphasis on United Nations and related agencies. Focuses on activities in security, economic, and social issue area. Prerequisite: PS 580.
PS 584  International Cooperation  credit: 4 Hours.
Major theoretical perspectives and controversies in the literature of
ternational cooperation and international institutions. Although broad
spectrums of issues are covered, the focus is on basic logical questions,
lines of reasoning, and analytical frameworks. Prerequisite: PS 580.

PS 585  Conflict Management  credit: 4 Hours.
Examines the conditions that influence the processes and outcomes
of conflict management between nation-states. Assesses various
approaches used in conflict management research with a special
emphasis on the relationship between conflict management and theories
of IR. Assumes some background knowledge regarding empirical studies
of war. Prerequisite: PS 580.

PS 586  Prosem Intl Relations II  credit: 4 Hours.
Part two of a two course sequence examining major theories and
approaches to the study of international relations. Prerequisite: PS 580.

PS 587  Research Seminar in IR  credit: 4 Hours.
Advanced seminar in international relations, providing graduate students
with original research experience. Students design and execute a
research program, resulting in a major paper suitable for conference
presentation and/or publication. The seminar will rotate among specific
research topics in the area of international conflict, international law
and organization, and international political economy respectively. May
be repeated in separate terms to a maximum of 12 hours. Prerequisite:
PS 580.

PS 589  Topics in Intl Rel  credit: 4 Hours.
Selected topics designed for graduate study in international relations.
May be repeated under different instructors to a maximum of 12 hours.
Prerequisite: PS 580 or PS 524, or consent of instructor.

PS 590  Research in Selected Topics  credit: 2 to 12 Hours.
Research in selected topics by arrangement with the instructor.

PS 596  Evaluating New Research  credit: 2 Hours.
Accompanies the Politics Workshop, which brings in speakers from
outside the department to present their research. The goal is to expose
graduate students to the practice of engaging critically with research
presentations from all fields of political science. Students will learn "best
practices" in providing feedback about ongoing research projects. They
will have the opportunity to utilize these skills both in class discussions
and as discussants for the speakers in the Workshop 2 graduate hours.
No professional credit. Approved for S/U grading only. May be repeated
for up to 4 graduate hours in separate semesters. Prerequisite: Graduate
standing in political science required.

PS 597  Preparing Future Faculty  credit: 0 Hours.
Provides graduate students an insight on the responsibilities and
expectations of academic faculty. Core responsibilities - research,
teaching and service - required of faculty is discussed, along with
important resources and strategies to aid students in obtaining a faculty
appointment and plotting a successful career path. Approved for S/U
grading only. May be repeated in separate terms.

PS 598  Dissertation Design Seminar  credit: 0 Hours.
Addresses the basic steps involved in the development of a dissertation
proposal; aims to facilitate the completion of the dissertation proposal
for students who have passed the qualifying examinations. Approved
for S/U grading only. Prerequisite: Successful completion of required
qualifying examinations.

PS 599  Thesis Research  credit: 0 to 16 Hours.
Approved for S/U grading only. May be repeated.
