The Master of Health Administration program is designed to prepare graduate students to become successful healthcare managers and administrators. Students will gain the knowledge and skills necessary to manage the complex United States healthcare system efficiently and effectively.

Our mission is: Preparing future leaders in healthcare to improve health systems through effective management.
Our vision is: To be nationally recognized for producing top leaders in healthcare management.
Our values: Professionalism  Respect  Inclusive  Distinguished  Excellence

The Master of Health Administration program seeks students with a 3.0 GPA or higher from their bachelor's degree. Generally the degree is completed in two years. No undergraduate courses will satisfy courses for both an undergraduate and master’s degree (i.e. “double dipping”). Students entering the program are encouraged to have completed undergraduate coursework in health, health administration, and other business related courses with all majors accepted.

ADMISSIONS
Applicants should have a grade point average of at least 3.0 (A = 4.0) for the last 60 semester hours of their undergraduate degree work (excluding fieldwork, student teaching, and physical activity courses).

• International and some domestic students may be required to show proof of English Proficiency (https://grad.illinois.edu/admissions/instructions/04c/).
