PUBLIC HEALTH, MPH

for the Master of Public Health in Public Health

The MPH degree program requires a minimum of 48 hours. The program includes:

1. Five required core courses in basic content areas of public health
2. Four required courses in the Health Behavior and Promotion concentration, as well as one additional concentration course from an approved list
3. An Applied Practice Experience (practicum)
4. An Integrative Learning Experience (capstone)
5. Seminars and electives

The integrative learning experience must be completed in the last term of study. There is no thesis requirement. A pre-requisite for applying to the MPH program is a college level course in mathematics, statistics, biostatistics, or epidemiology. Applications for the Master of Public Health (MPH) are only accepted for Fall admission. The program generally takes 1.5 to 2 years to complete. University of Illinois undergraduate students who major in Kinesiology, Community Health, or I-Health are eligible to apply for a 5 year joint BS-MPH degree program prior to their final year of undergraduate study. Students accepted to the BS-MPH program begin some MPH coursework in their final year of undergraduate study.

See the current list of MPH Electives (https://ahs.illinois.edu/curriculum-overview/).
