The M.A.S. program is a one-year program for students who have completed or are pursuing a Bachelor of Science in Accountancy from an accredited U.S. institution. Each student will select either a Taxation or Financial Reporting & Assurance Option as a primary focus. Each Option (listed below) includes room for graduate electives. By design, the program emphasizes the emerging trend of data analytics in the practice of accounting, with a standard course plan that leads to a graduate concentration in data analytics in accountancy (http://catalog.illinois.edu/graduate/bus/concentration/badm/data-analytics-accountancy/) to fulfill the graduate elective requirement. Students have the choice of remaining in the standard course plan or selecting from among the following alternative graduate concentrations to fulfill the graduate elective requirement: corporate governance and international business (http://catalog.illinois.edu/graduate/bus/concentration/badm/corporate-governance-international-business/), financial reporting & assurance (http://catalog.illinois.edu/graduate/bus/accountancy-mas/financial-reporting-assurance/), information technology & control (http://catalog.illinois.edu/graduate/bus/concentration/badm/information-technology-control/), real estate (http://catalog.illinois.edu/graduate/bus/concentration/finance/real-estate/), and supply chain management (http://catalog.illinois.edu/graduate/bus/concentration/badm/supply-chain-management/). Students who wish to deviate from the standard course plan, but do not wish to pursue a listed graduate concentration, may petition to take other graduate courses of interest subject to approval of an Accountancy Advisor. Admission to a concentration requires application to the Department no later than February 1 for fall admission. Admission to some concentrations may be competitive.
Admission
All applicants to the Master of Accounting Science program should refer to MAS program (https://giesbusiness.illinois.edu/mas/admissions/).

for the degree of Master of Accounting Science in Accountancy

For additional details and requirements refer to the department’s program information online (https://business.illinois.edu/mas/) and the Graduate College Handbook (http://www.grad.illinois.edu/gradhandbook/).

Information listed in this catalog is current as of 12/2021

1 ACCY 451 and ACCY 410 are currently offered for differential credit (3 hours undergraduate or 4 hours graduate credit). Students in the Taxation concentration that complete both of these courses during the undergraduate timeframe will take ACCY 510, ACCY 517, or an approved elective. Students in the Financial Reporting & Assurance concentration that complete both ACCY 451 and ACCY 410 for 3 hours of undergraduate credit would either take ACCY 518 or ACCY 574, or an approved elective. All graduate electives must be approved by an Accountancy Advisor.
