The Managerial Economics and Business Analysis Campus Graduate Certificate is designed to develop leaders who (1) have a solid understanding of the operation of markets, (2) understand how to assess the macro-economic environment with examples of real-world events, and (3) have developed an analytical framework to combine the power of theory and data to make effective business decisions. This Campus Graduate Certificate will not only provide a strong foundational knowledge of market characteristics and economic environments and how these factors impact business management and operation, but also provide students multiple opportunities to apply this knowledge.

Students who have successfully completed this certificate may use the certificate to satisfy the following degree requirements, provided they apply and are admitted to the degree program:

12 hours of core coursework requirements of the iMBA (http://catalog.illinois.edu/graduate/bus/business-administration-online-mba/) degree program
12 hours of elective coursework requirements of the iMSM (http://catalog.illinois.edu/graduate/bus/management-ms/) degree program
