Graduate Degree Programs

The College of Business offers a degree program leading to the Master of Business Administration (M.B.A.) in four delivery modes. The traditional full-time MBA and the part-time, evening MBA are offered on the Urbana campus. The Executive MBA (http://catalog.illinois.edu/graduate/graduate-majors/bus-admin-exec-mba) is offered weekends in downtown Chicago, and the online edition is offered for students who need more flexibility in their MBA program.

The online MBA (iMBA) uses a flexible program format. As with the EMBA program, the iMBA consists of eighteen four-credit courses for a total of 72 credit hours. During each course, virtual study teams are created that are designed to draw upon the diverse academic and professional backgrounds of the class. The online MBA caters to a segment of the population that values mobility, convenience, and believes that the online programs better fit their learning styles and life circumstances.

Admission

Applicants to the Illinois iMBA program must have completed an earned undergraduate degree. Applicants must submit scores on the Graduate Management Admission Test (GMAT) or Graduate Record Examination (GRE) if available, two letters of recommendation, and essays. Applicants whose native language is not English are also required to submit scores from the Test of English as a Foreign Language (TOFEL) or the IELTS.

Scholarships/Financial Aid

Scholarships are generally not available for the iMBA.
