Admission

Applicants will complete a Graduate Concentration in Accountancy application, signed by their graduate advisor and/or graduate program director. The Director of the MSA program will monitor the admission process.

Admission is limited and acceptance is on a competitive basis.
Faculty Research Interests
Faculty research interests are in the areas of marketing, organizational behavior, organization theory, decision sciences, information systems, strategic management, risk analysis, judgment under uncertainty, international business, production and operations management, accounting, economics, entrepreneurship, and finance. The Gies College of Business houses computer facilities, a behavioral science laboratory, and a separate library. The college maintains contacts with industry and government through its Survey Research Laboratory, Illinois Business Consulting, the Academy for Entrepreneurial Leadership and several professional and scholarly journals edited by its faculty.

This concentration requires twelve graduate hours of coursework. Admission to the concentration requires an application to the Department and admission to one of the following graduate programs:

- Finance, MS (MSFA)
- Technology Management, MS (MSTM)
- Business Administration, MBA (full-time)
- Business Administration, MBA (part-time)
- Business Administration: International Management, MS (MSBA)

Admission is limited and acceptance is on a competitive basis.
