The Global Challenges in Business Concentration is designed to develop leaders who (1) understand how businesses function in the
global marketplace, (2) consider ethical decisions to run a responsible
business in the global marketplace, (3) understand the role of business
in addressing global challenges such as poverty and the environment,
(4) understand how business can pursue opportunities and confront
challenges in the complex global marketplace. This concentration will
not only provide a strong foundational knowledge of global business
challenges, but also provide students multiple opportunities to apply this
knowledge via experiential learning opportunities.

Exceptions to the required courses will not be permitted.

Admission

Admission to the concentration requires submitting a Curriculum Change
Form to the Department and Graduate College and admission to one of
the approved programs. Admission is limited, and acceptance is on a
competitive basis.
