Admission

Admission to the concentration requires a Graduate Student Request Form submitted to the Department and Graduate College and admission to one of the approved programs. Admission is limited, and acceptance is on a competitive basis.

for the Graduate Concentration in Information Technology and Control (on campus)

This concentration requires submission of twelve graduate hours of information technology coursework on the digital transformation of organizations. Successful completion of the concentration assumes certain knowledge of business and prior coursework. In addition to the concentration requirements, students must also complete the requirements of their major degree.

Course substitutions may be approved by the Department after consultation with the relevant faculty.
