Advising Notes
The graduate minor can only be completed within the fall semester of the fifth year of the MAS program. The three required graduate courses are
not available in the Spring semester. Students who drop any of the three
required courses in fall will be treated as having dropped the minor.

Students should have already completed FIN 300 before enrolling in the
graduate minor. Students may apply while enrolled in FIN 300; however, the application decision may be deferred until successful completion of
FIN 300. FIN 300 must be taken on this campus. Students who plan to
take the graduate minor SHOULD NOT register for FIN 321, FIN 411, or
FIN 412 as undergraduates. Students who have completed any of the
following courses are not eligible to pursue the minor: FIN 411, FIN 321, or FIN 412.

Note: Students within the major can not minor in the same program.
