A graduate concentration constitutes a coherent program of study
requiring additional breadth or considerable depth of knowledge.
A concentration may refer to a subfield within a discipline, or to
an interdepartmental and/or interdisciplinary area of knowledge.
Concentrations appear on academic transcripts.

Some concentrations (major-based) are only open to a student majoring
in the offering department. Other concentrations (floating) are open to
students in a broad range of majors. Both types are listed here, with the
eligible programs listed below each concentration.
