Admission
The Department of Education Policy, Organization and Leadership carefully considers all applicants for graduate study. Interested applicants should start at the College of Education Graduate Programs website (https://education.illinois.edu/programs/grad/). The quality of the applicant’s undergraduate and graduate training and grade point average are primary considerations. Other important factors evaluated include the three letters of recommendation and statement of purpose. International applicants must submit a TOEFL score.

Off-Campus Programs
The Ed.M., Ed.D., and C.A.S. degree options with Principal Endorsement are offered in the Chicago region. An Ed.D. degree cohort also is available with Superintendent Endorsement. Requirements for the off-campus Ed.M., C.A.S., and Ed.D. programs are identical to the on-campus degrees.

Facilities and Resources
The College of Education also has many resources to assist graduate students through their academic career. The Bureau of Educational Research works with students to secure research funding. The Council on Teacher Education (http://cote.illinois.edu/) entitles candidates seeking a Professional Educator License and provides accreditation of professional education programs. Each student completing a degree program is assigned a graduate adviser, who is available to assist the student with planning the program of study and determining degree requirements, courses and timelines for degree completion.

Information on University resources can be found at the GradMAP pages website (http://www.grad.illinois.edu/current-students/).

Financial Aid
Financial aid in the form of assistantships, scholarships, fellowships, and tuition waivers can be found throughout the college (https://education.illinois.edu/current-students/graduate/financial-aid/) and campus.
