program requirements: Master of Engineering in Mechanical Engineering
food three types of study: Design, Energy, and Control
fees for Board of Trustees (BOT) tuition-waiver generating assistantships at
Financial Aid
Students in the MEng in Mechanical Engineering program are not eligible
for the degree of Master of Engineering in Mechanical Engineering

Admission Requirements
An applicant for admission to the MEng program at the Department of
Mechanical Science and Engineering must:
1. Be a graduate of an institution awarding a baccalaureate degree
   equivalent to that granted by the University of Illinois at Urbana-
2. Be adequately prepared for advanced study as demonstrated by his
   or her previous program of study and scholastic record; and
3. Be recommended for admission by the Department of Mechanical
Science and Engineering. A minimum grade point average of 3.00 (A =
4.00) for the last two years of undergraduate study is required.

Due to COVID 19 the department of Mechanical Science and Engineering
is waiving the GRE requirement for the Fall 2021 cycle.

All applicants whose native language is not English are required to
submit TOEFL (http://www.toefl.org/) or International English Language
Testing System (IELTS) (http://www.ielts.org/) scores as evidence
of English proficiency. Minimum admission requirements (https://
grad.illinois.edu/admissions/instructions/04c/) are set by the Graduate
College. Students applying to the online program must satisfy the full
status admissions requirement.

The Department of Mechanical Science and Engineering accepts MEng
applications for both Spring and Fall terms.

Financial Aid
Students in the MEng in Mechanical Engineering program are not eligible
for Board of Trustees (BOT) tuition-waiver generating assistantships at
the University of Illinois.

Other Graduate Programs in the Department of
Mechanical Science & Engineering

degree programs:
Mechanical Engineering, MS (http://catalog.illinois.edu/
graduate/engineering/mechanical-engineering-ms/)
Mechanical Engineering, PhD (http://catalog.illinois.edu/
graduate/engineering/mechanical-engineering-phd/)
Theoretical & Applied Mechanics, MS (http://
catalog.illinois.edu/graduate/engineering/theoretical-applied-
mechanics-ms/)
Theoretical & Applied Mechanics, PhD (http://
catalog.illinois.edu/graduate/engineering/theoretical-applied-
mechanics-phd/)

optional concentrations available for MS and PhD programs:
Biomechanics (http://catalog.illinois.edu/graduate/engineering/
concentration/biomechanics/) Cancer Nanotechnology (http://
catalog.illinois.edu/graduate/engineering/concentration/cancer-
nanotechnology/) Computational Science & Engineering (http://
catalog.illinois.edu/graduate/engineering/concentration/
computational-science-engineering/)

Opportunity also exists for specializing in energy and sustainability
engineering via the Energy and Sustainability Engineering (EaSE) Graduate
Certificate Option (http://ease.illinois.edu/)

for the degree of Master of Engineering in Mechanical Engineering

For additional details and requirements refer to the department's graduate
program requirements (http://mechanical.illinois.edu/graduate/) and the
Graduate College Handbook (http://grad.illinois.edu/gradhandbook/).

Degree Requirements

<table>
