Admission

For all degree programs, consult the admission requirements stated on the School of Music's website: https://music.illinois.edu/graduate-admissions.

Requirements for admission to the Master of Music (MM) programs are a Bachelor of Music degree from the University of Illinois at Urbana-Champaign or an equivalent degree from another accredited institution.

Information listed in this catalog is current as of 03/2020
Students holding other degrees may be admitted but will be expected to make up any deficiencies in addition to fulfilling all requirements for the graduate degree.

Applicants to choral music, instrumental conducting (wind band or orchestra), jazz performance, piano pedagogy, performance and literature, and vocal accompanying and coaching must pass a qualifying audition for their major area or submit satisfactory recordings. Applicants in musicology, theory, and composition must present writings or other evidence of their ability to pursue work at the graduate level. The Graduate Record Examination (GRE) is not required.

The School of Music requires all new MM students to complete entrance examinations in music theory and musicianship; all new MM students, except those in musicology, complete a musicology entrance exam as well. These exams take place the week before the fall term begins. See the School of Music’s Graduate Resources (https://music.illinois.edu/graduate-academic-affairs) page for more information.

Prerequisite for admission to the **Artist Diploma** is a master’s degree in music performance.

**International applicants** to the **MM and the Artist Diploma (AD)** whose native language is not English must present an iBT score of 79 for admission to the Artist Diploma (AD), 90 for the Master of Music (MM), excluding Musicology; MM in Musicology requires an iBT score of 96. A TOEFL iBT of 103 or higher is required for Full Status Admission to the University of Illinois Graduate College and School of Music. Fall admission only; other terms of entry by departmental petition approval only.

3. Recommendations from three individuals who can discuss the applicant’s musicianship, ability to undertake graduate level study, and teaching ability/potential.
4. The Graduate Record Exam (GRE) is not required for application to the MME, nor do MME students take placement tests in music theory or music history.

For MME applicants with public school experience:
