Language Requirements

For the Master of Music program, applicants in voice and vocal accompanying and coaching are required to have had at least one year each of college-level French, German, and Italian or the equivalent. Applicants in other applied music areas, composition, conducting, and
musicology are required to have had one year of any language at the college level or the equivalent.

All Doctor of Musical Arts candidates will be required to demonstrate proficiency in at least one language other than English. Each area may specify which language is required or may require proficiency in more than one language. For up-to-date information regarding the language requirements of the School of Music, please see the Graduate Music Handbook (https://music.illinois.edu/graduate-handbooks/).
