The M.A.S. program is a one-year program for students who have completed or are pursuing a Bachelor of Science in Accountancy from a regionally accredited U.S. institution. The Concentration in Taxation is one of the primary options available within the MAS program.

Students in the Taxation concentration may pursue a second optional concentration. If admitted to a second concentration, the coursework for the second concentration may also count toward the graduate electives requirements for the MAS degree. Second concentration options include:

- Data Analytics for Accountancy
- Finance
- Corporate Governance and International Business
- Information Technology and Control
- Real Estate
- Supply Chain Management
