Major: Agricultural Education
Degrees offered: M.S.

Online and Off-Campus Programs: Agricultural Education
Degrees offered: M.S.

Graduate Degree Programs

The M.S. in Agricultural Education is a professional degree for training classroom-based educators and community and organizational developers to address issues as they pertain to teaching and learning in and about the agricultural, life, and environmental sciences. Students are typically interested in either furthering their career in Extension, agricultural classrooms in secondary education, professional organizations in training and supervisory roles, or community development. We also work with students interested in gaining licensure for teaching agriculture in Illinois public schools for grades 9-12.

Admission

We are looking for highly motivated students with strong academic records. Students with backgrounds in agriculture, education, behavioral or social sciences are especially encouraged to apply. The minimum undergraduate grade-point average for admission is 3.0 (A = 4.0). Applicants for the online/off-campus program are not required to take the Graduate Record Examination (GRE). International applicants from non-English-speaking countries must have official TOEFL scores of at least 575 (written version) or 233 (computer-based version) to be eligible for admission. To receive full consideration for admission (and financial aid support provided by our department). For information regarding federal and state financial aid, please refer to www.osfa.illinois.edu/ (http://www.osfa.illinois.edu).

Master of Science in Agricultural Education

Thesis Option

Agricultural Education Foundations
- AGED 400 Foundations of Ag & Extn Ed 3
- AGED 420 Curr Design & Instruction 3

Instructional Methods & Design
- AGED 430 Youth Development Programs 4
  or AGED 490 Adult Learning Principles

Educational Research
- AGED 545 Research Methods & Design 4
- Agricultural Education electives 3-4
- Electives in agriculture or education 10-11
- Thesis Research – AGED 599 (min-max applied toward the degree) 4-8

Total Hours 32

Other Requirements 4

Other requirements may overlap

Minimum 500-level Hours Required Overall: 12, 8 must be in the unit
Minimum GPA: 2.75

1 Requirement may be waived if taken as an undergraduate at UIUC. If waived, student may substitute this credit requirement with an agricultural education or technical subject matter elective.
2 Students may take up to four credit hours in agricultural education to fulfill the technical subject matter course requirements. This is only recommended for students completing a thesis (AGED 599 credits) or for students who desire to take an agriculture content course for teachers (i.e. AGED 500).
3 The applied research option requires the completion of a thesis, and the program development and online options require the completion of a project in the area of agricultural education, broadly defined, and submission of a research/professional paper.
4 For additional details and requirements refer to the department’s Graduate Program Information (http://aged.illinois.edu/grad/reqs) and the Graduate College Handbook (http://www.grad.illinois.edu/gradhandbook).

Non-Thesis Option
