MASTER OF SCIENCE IN ARCHITECTURAL STUDIES

Post-Professional Degree

Applicants who hold the five-year Bachelor of Architecture degree are considered to have earned the first professional degree. For those applicants, a one-year degree program has been developed emphasizing further study in depth of one optional area of concentration and/or participation in research, which is similar to the final year of the professional degree program.

Candidates admitted with full status may complete the program in one year of full-time academic study.
