E-mail: lpayne@illinois.edu and latvaiti@illinois.edu

Major: Recreation, Sport & Tourism
Degrees Offered: M.S., Ph.D.

Online Program: Recreation, Sport & Tourism
Degrees Offered: M.S.

Graduate Degree Programs

The Department of Recreation, Sport & Tourism offers programs of study leading to the Master of Science and Doctor of Philosophy degrees. The Master of Science program educates students about leisure behavior, public parks and recreation systems, sport and tourism, in various private, public and semi-public settings providing leisure services. The M.S. degree may be undertaken as a terminal professional track program or serve as the first step toward the Ph.D. program. The Ph.D. program is designed to develop researchers and educators in the study of leisure behavior, the management of recreation, tourism, and sport systems that provide leisure services, or both.

Admission

The Graduate College admission requirements apply. Specifically, the admission requirements are a minimum grade point average of 3.0 (A = 4.0) for the last two years of undergraduate work and any graduate work completed. The Graduate Record Examination (GRE) is required for all campus-based graduate degrees. In accordance with Graduate College requirements, scores on the TOEFL must be greater than 102 and scores on the IELTS must be greater than 6.5. Students are also required to provide a statement of purpose outlining their area of study, and three letters of reference. Preference is given to applicants who will be full-time students and active degree candidates. Students may be admitted for the fall, spring, or summer semesters.

Teaching Experience

Although teaching is not a general Graduate College requirement, experience in teaching is considered an important part of the graduate experience in this program. It is also anticipated that doctoral students will engage in research activities and scholarly communication under the guidance of their advisor.

Financial Aid

The department offers quarter-time and half-time assistantships in teaching, administration, and research, as well as tuition and fee waivers and the opportunity to apply for fellowships.

Master of Science in Recreation, Sport and Tourism

A candidate for the M.S. degree must spend at least one semester on campus. A full-time student can complete the program in three or four semesters.

Thesis Option

RST 501 Concepts & Applications in Recreation, Sport & Tourism 4
Select two of the following: 8
- RST 512 Managing Recreation, Sport & Tourism Organizations
- RST 515 Marketing in RST
- RST 516 Finance & Budgeting in RST
Select one Option Area Course from: 4
- RST 502 Critical Issues Recreation Mgt
- RST 520 Critical Issues Sport Mgt
- RST 530 Critical Issues Tourism Mgt

Additional Coursework

Support Option 8
Research Methods 8
RST 599 Thesis Research 4
Total Credit Hours 36

Other Requirements 1
Other requirements may overlap
Minimum Hours Overall Required 12 at the 500 level
Within the Unit:
Minimum 500-level Hours Required 16
overall:
Minimum GPA: 3.0
