Graduate Degree Program

The concentration in Professional Science Master’s (PSM) provides masters students with a unique learning experience by combining traditional science, technology, or mathematics disciplines with an integrated professional curriculum focusing on core business knowledge and skills. Traditional depth in the disciplinary field coupled with business-related workplace skills and internship experience prepares graduates for careers in business, government, and not-for-profits. Programs are full-time, non-thesis, cohort-based and are designed to be completed in 16 months.

The Professional Science Master’s concentration is available in:

Agricultural Production, MS (http://catalog.illinois.edu/graduate/aces/agricultural-production-ms-professional-science-masters/)
Bioprocessing & Bioenergy, MS (http://catalog.illinois.edu/graduate/aces/bioprocessing-bioenergy-ms-professional-science-masters/)
Food Science & Human Nutrition, MS (http://catalog.illinois.edu/graduate/aces/food-science-human-nutrition-ms/)
Geography: Geographic Information Science, MS (http://catalog.illinois.edu/graduate/las/geography-ms/geographic-information-science-professional-science-masters/)
Technical Systems Management, MS (http://catalog.illinois.edu/graduate/aces/technical-systems-management-ms-professional-science-masters/)

Admission

Candidates for admission to the concentration and associated Illinois M.S. degree must have a bachelor’s degree from an accredited institution equivalent to those from the University of Illinois at Urbana-Champaign. Minimum requirements include a grade point average of 3.0 or higher (A = 4.0) for the last 60 hours of undergraduate work and for any graduate study. Graduate Record Examination (GRE) scores are required of all applicants. Test of English as a Foreign Language (TOEFL) scores vary by program. Admission to one of the eligible degree programs listed above is required, and their admission requirements vary by program and may be more rigorous than the minimums presented here. Transfer credit may not be applied to this program due to the cohort nature of this program.

Financial Aid

Financial assistance in the form of full or partial waiver of tuition and fees – is rarely available to Illinois PSM students (except for statutory waivers). Departments providing assistance that includes waivers must pay Illinois PSM tuition and fees on students’ behalf. Illinois PSM students may be eligible for student loans.
