GRADUATE JOINT DEGREE PROGRAMS

Joint degree programs allow students to pursue two graduate degrees simultaneously, where the total time for the two degrees is decreased. A student who wishes to enter a joint degree program must be admitted separately to each program as a joint degree candidate. Find out more about joint degree programs at the Graduate College (http://www.grad.illinois.edu/gradhandbook). These degrees listed can be earned jointly with any one listed below it:

African Studies

African Studies, MA & Library & Information Science, MS
