## Requirements

### Admission

Admission to the College of Education at any level (first-year, transfer, and intercollegiate transfer) is competitive.

### General Education

In order to meet the University's current requirements in General Education, each candidate for a degree from the College of Education must complete the campus General Education requirements and the Language Other Than English through the third level. In most teacher education curricula, specific coursework within the General Education areas must be taken. Also, in some teacher education curricula, additional credit in the General Education areas is required. For more information on required general education coursework, contact a College of Education academic adviser. Students must select their courses for General Education from the campus General Education course list (<https://courses.illinois.edu/gened/DEFAULT/DEFAULT/>).

### Graduation

Undergraduate students in the College of Education must meet the University requirements for graduation. For those in a major leading to licensure, the requirements of the Council on Teacher Education (<http://cote.illinois.edu/>) for licensure must also be met. Students in all curricula must meet the course and academic credit requirements of their curricula with satisfactory scholastic averages. Student teaching is required of all undergraduates in a licensure major and must be completed through the University of Illinois Urbana-Champaign.

Students in need of additional information concerning regulations and degree requirements of the College of Education should consult their academic advisers or the Assistant Dean for Academic Affairs in the College of Education, University of Illinois Urbana-Champaign, 110 Education Building, 1310 South Sixth Street, Champaign, IL 61820.
