Grainger College of Engineering

As one of the world's top-ranked engineering institutions, the University of Illinois' Grainger College of Engineering is a leader in engineering education, research, and public engagement. Our diverse, tight-knit community of faculty, students, and alumni set the standard for excellence in engineering, driving innovation in the economy and bringing revolutionary ideas to the world. Collectively, we are thinking and designing to solve the world’s greatest challenges, every day.

Academic Departments

- Aerospace Engineering (https://aerospace.illinois.edu/)
- Agricultural & Biological Engineering (https://abe.illinois.edu/)
- Bioengineering (https://bioengineering.illinois.edu/)
- Chemical and Biomolecular Engineering (https://chbe.illinois.edu/)
- Civil & Environmental Engineering (https://cee.illinois.edu/)
- Computer Science (https://cs.illinois.edu/)
- Electrical & Computer Engineering (https://ece.illinois.edu/)
- Industrial & Enterprise Systems Engineering (https://ise.illinois.edu/)
- Materials Science & Engineering (https://matse.illinois.edu/)
- Mechanical Science & Engineering (https://mechse.illinois.edu/)
- Nuclear, Plasma & Radiological Engineering (https://npre.illinois.edu/)
- Physics (https://physics.illinois.edu/)

Interdisciplinary Units

- Computational Science and Engineering (https://cse.illinois.edu/)
- Technology Entrepreneur Center (https://tec.illinois.edu/)
