**department faculty:** [Animal Sciences Faculty](https://ansc.illinois.edu/directory/faculty/)

**overview of college admissions & requirements:** [Agricultural, Consumer & Environmental Sciences](http://catalog.illinois.edu/schools/aces/academic-units/#text)

**college website:** [https://aces.illinois.edu/](https://aces.illinois.edu/)

The companion animal and equine science concentration is designed for students intending to pursue a career in those industries generally not associated with traditional meat animal or dairy production. Students will take courses that prepare them for careers in specialized fields of animal care, animal health and animal well-being associated with zoos, kennels, research laboratories, and the racing industry.
