CROP SCIENCES: CROPS, BS

For the degree of Bachelor of Science Major in Crop Sciences, Crops Concentration

Department website: https://cropsciences.illinois.edu/
Department faculty: https://cropsciences.illinois.edu/people/faculty/
Overview of college admissions & requirements: Agricultural, Consumer & Environmental Sciences (http://catalog.illinois.edu/schools/aces/academic-units/#text)
College website: https://aces.illinois.edu/

No longer accepting applications Fall 2022 - See Agronomy, BS (http://catalog.illinois.edu/undergraduate/aces/agronomy-bs/)

The crops concentration is designed for students with an interest in agronomic crop plants. Students study the diversity of crop plants-how they grow and how they are grown. This concentration prepares students for careers in crop production and marketing, cropping systems management, plant breeding, and seed merchandising, or for entrance into graduate school.
