

# HUMAN DEVELOPMENT & FAMILY STUDIES: CHILD & ADOLESCENT DEVELOPMENT, BS

for the degree of Bachelor of Science Major in Human Development & Family Studies, Child and Adolescent Development Concentration

## This concentration will no longer accept students: Spring 2022, instead see

Human Development & Family Studies, BS (<http://catalog.illinois.edu/undergraduate/aces/human-development-family-studies-bs/>)

The Child and Adolescent Development concentration emphasizes the influence of environment, biology, families, peer groups, schools, and communities on the well-being of children and adolescents. Graduates with this concentration are qualified to provide a wide range of services and lead programs for children and their families. Career opportunities include child life specialist, parent education, developmental therapy, adoption case work and day-care administration. Graduates also choose to pursue graduate education in a variety of fields, including pediatrics, occupational therapy, nursing, law, human development research, education, psychology, social work, and business.

for the degree of Bachelor of Science Major in Human Development & Family Studies, Child and Adolescent Development Concentration
