# INTERDISCIPLINARY HEALTH SCIENCES, BS

for the degree of Bachelor of Science Major in Interdisciplinary Health Sciences

Interdisciplinary Health Sciences encourages students to examine today's complex health issues from a variety of perspectives. This degree provides students with a holistic view of health that can be customized for their professional goals and needs. The curriculum is structured to provide students an excellent foundation that can lead to numerous professional and scientific health-based careers. Students may build a customized program addressing their specific interests within three concentration areas, of which a student must complete at least one:

- Health Diversity Concentration ([http://catalog.illinois.edu/undergraduate/ahs/interdisciplinary-health-sciences/health-diverse/](http://catalog.illinois.edu/undergraduate/ahs/interdisciplinary-health-sciences/health-diverse/))
- Health Technology Concentration ([http://catalog.illinois.edu/undergraduate/ahs/interdisciplinary-health-sciences-bs/health-technology/](http://catalog.illinois.edu/undergraduate/ahs/interdisciplinary-health-sciences-bs/health-technology/))

for the degree of Bachelor of Science Major in Interdisciplinary Health Sciences

## Sample Sequence

This sample sequence is intended to be used only as a guide for degree completion. All students should work individually with their academic advisors to decide the actual course selection and sequence that works best for them based on their academic preparation and goals. Enrichment programming such as study abroad, minors, internships, and so on may impact the structure of this four-year plan. Course availability is not guaranteed during the semester indicated in the sample sequence.

Students must fulfill their Language Other Than English requirement by successfully completing a third level of a language other than English. For more information see the corresponding section on the Degree General and Education Requirements page ([http://catalog.illinois.edu/general-information/degree-general-education-requirements/](http://catalog.illinois.edu/general-information/degree-general-education-requirements/)).

Pre-Health Profession Tracks will most likely be using elective classes to fulfill prerequisite coursework for the intended program.
