

KINESIOLOGY: TEACHER EDUCATION K-12, BS

for the Bachelor of Science Major in Kinesiology, Teacher Education K-12 Concentration

Application to the Teacher Licensure curriculum is made at the end of the sophomore year. Admission depends on meeting minimum grade point average requirements. In order to remain in good standing in this program and be recommended for licensure, candidates are required to maintain UIUC, cumulative, and content area grade point averages of 2.5 (A=4.0), and a professional education grade point average of 3.0. Candidates should consult their advisor or the Council on Teacher Education for the list of courses used to compute these grade point averages. Requirements for Teacher Licensure

Application to the Teacher Licensure curriculum is made at the end of the sophomore year. Admission depends on meeting minimum grade point average requirements. Students must pass an Illinois-approved content-area test of basic skills prior to student teaching.

In order to remain in good standing in this program and be recommended for licensure, candidates are required to maintain UIUC, cumulative, and content area grade point averages of 2.5 (A=4.0), and a professional education grade point average of 3.0. Candidates should consult their advisor or the Council on Teacher Education for the list of courses used to compute these grade point averages. In addition, candidates must receive a B- or higher in KIN 360, KIN 361, KIN 362, KIN 363, KIN 364, and KIN 460, and meet professional standards of scholarship, ethics, and responsibility as evaluated by the Physical Education Area of Specialization Committee. In addition, students must complete all professional education and content-area courses with a grade of C- or better for licensure.

Sample Sequence

This sample sequence is intended to be used only as a guide for degree completion. All students are required to meet with an academic advisor each semester to determine the actual course selection and sequence that works best for them based on their academic preparation and career goals/graduate school preparation, and to review remaining degree requirements and plan for upcoming semesters. Course availability is not guaranteed during the semester indicated in the sample sequence. Many factors may affect the plan, some of which include:

- Advanced placement and/or dual credit earned prior to enrollment
- LOTE (Language Other Than English) could be completed in high school
- Degree requires 128 total hours
- Correlate area courses determined by career or graduate program interests and can exceed 18 hour minimum
- Enrichment programming such as study abroad, minors, internships, etc.

Students must fulfill their Language Other Than English requirement by successfully completing a third level of a language other than English. For more information, see the corresponding section on the Degree General and Education Requirements page (<http://catalog.illinois.edu/undergraduate/ahs/kinesiology-bs/teacher-certification/:/general-information/degree-general-education-requirements/>).
