Application to the Teacher Licensure curriculum is made at the end of the sophomore year. Admission depends on meeting minimum grade point average requirements. In order to remain in good standing in this program and be recommended for licensure, candidates are required to maintain UIUC, cumulative, and content area grade point averages of 2.5 (A=4.0), and a professional education grade point average of 3.0. Candidates should
consult their advisor or the Council on Teacher Education for the list of courses used to compute these grade point averages. To learn more about the teacher licensure program in Kinesiology, please visit here (https://ahs.illinois.edu/teacher-licensure/).
