KINESIOLOGY MINOR

for the Undergraduate Minor in Kinesiology

The Kinesiology Program is committed to the study and research of human movement in all its dimensions. Undergraduate study focuses on exercise stress, movement efficiency, and fitness; the social, cultural, and psychological aspects of participation in physical activity and sport; coordination, control and skill physical activity; physical growth, development, and body form throughout the lifespan; the effects of therapeutic techniques of kinesiology upon recovery from physical injury; and the instructional process of teaching/coaching of physical activity and sport.

To obtain a minor, students must complete 12 hours of foundational courses and 9 hours within an area of specialization, including at least 6 hours of 300- and 400-level courses. To learn more, visit the Kinesiology minor website (https://ahs.illinois.edu/kinesiology-minor/).

To declare the minor or ask questions about the requirements, please contact:
HK-minors@illinois.edu

Minimum required course work: Students must complete 12 hours of foundational courses and 9 hours within an area of specialization, including at least 6 hours of 300- and 400-level courses. Minimum hours required for completion: 21 hours.

Foundational Courses
