

FINANCE + DATA SCIENCE, BS

for the degree of Bachelor of Science Major in Finance plus Data Science

This major is sponsored by the Finance Department in the Gies College of Business, in collaboration with the Departments of Statistics, Computer Science, iSchool, and Mathematics. The FIN + Data Science major is designed for students who desire to supplement their finance foundation with a strong background in data science. The major prepares students for professional or graduate work in all Finance fields, but particularly those focused on analytics.

for the degree of Bachelor of Science Major in Finance plus Data Science

Minimum hours for graduation: 124 hours

University Composition Requirement

For a list of the specific courses that meet this requirement, see the college Office of Undergraduate Affairs in 1055 Business Instructional Facility or see the Course Explorer (<https://courses.illinois.edu/gened/DEFAULT/DEFAULT/>) for a list of approved general education courses.

Code	Title	Hours
	Composition I: Principles of Composition	4-7
	Advanced Composition	3

Total Hours		29

Meaningful Research or Discovery Experience

Code	Title	Hours
	One of the most important skills a student will gain in a FIN + DS degree will be the ability to present data in meaningful ways. A meaningful research and discovery experience is as much a pillar of this degree program as both the core coursework and the area of specialization. This capstone experience can be fulfilled through BUS 301, listed above in the Business Core. This course is an active learning, real-client experience that will allow students to join their data science skills with their business skills.	3

Summary of Total Hours

Code	Title	Hours
	General Education Requirements	25
	Total Business Core Hours	42
	Total Finance Specialization Hours	21
	Total Data Science Core Hours	29
	Meaningful Research or Discovery Experience	3
	Total Hours	124
