MANAGEMENT, BS

for the degree of Bachelor of Science Major in Management

overview of college admissions & requirements: Gies Catalog
(http://catalog.illinois.edu/schools/gies-business/academic-units)
college website: https://giesbusiness.illinois.edu/

Students pursuing this major must select one of two concentrations:

- General Management Concentration (http://catalog.illinois.edu/
  undergraduate/bus/management-business-bs/general-management)
- International Business Concentration (http://catalog.illinois.edu/
  undergraduate/bus/management-business-bs/international-
  business)

The Management Major is designed to prepare business students to be
leaders and innovators in analyzing and solving managerial problems
that every organization faces in its day-to-day operations. To be effective,
managers must be able to design organizations that can compete in
complex and volatile business environments and execute their strategies
within these organizations. Effective managers also must be ethical
leaders and competent decision-makers who formulate goals and
long-term plans, build effective teams, and motivate their employees.
Students majoring in Management must select one concentration either
in General Management or International Business, depending on their
career objectives.
