SECONDARY EDUCATION, BS

for the degree of Bachelor of Science Major in Secondary Education

Students pursuing this major must select the Mathematics Concentration:

Secondary Education: Mathematics, BS (http://catalog.illinois.edu/undergraduate/education/secondary-education-bs/mathematics/)

The Secondary Education, BS prepares teachers for grades nine through twelve. A minimum of 120 semester hours is necessary for graduation.

Students are admitted to Secondary Education as freshmen. In order to be recommended for licensure, candidates are required to maintain University of Illinois at Urbana-Champaign, cumulative, content area, and professional grade point averages of 2.5 (A=4.0). Grades in courses of C- or lower may not be used for State of Illinois licensure, endorsements, or approvals. Candidates should consult their adviser or the Council on Teacher Education for the list of courses used to compute these grades point averages.

For teacher education licensure requirements applicable to all curricula, see the Council on Teacher Education (www.cote.illinois.edu/). Licensure requirements are subject to change without notice as a result of new mandates from the Illinois State Board of Education or the Illinois General Assembly.

Students in the Secondary Education licensure program must complete the Campus General Education Requirements, the courses for the Mathematics concentration, and the professional education coursework.
