INTERNATIONAL MINOR IN ENGINEERING

for the International Minor in Engineering

International minor website: https://students.grainger.illinois.edu/ipeng/international-minor-in-engineering/

Many Grainger Engineering graduates will be involved in international activities during their professional careers. In anticipation of such involvement, the college offers an opportunity for students to complete an international minor as part of any engineering degree program. All international minor requirements must be satisfied before graduation.

Below are the Regional Specialization Areas. Specific courses approved for each region can be seen below by clicking on the appropriate region.
