No longer accepting students: Fall 2020

department website: <https://art.illinois.edu>

overview of college admissions & requirements: Fine & Applied Arts
(<http://catalog.illinois.edu/faa/>)

college website: <https://faa.illinois.edu/>

Students pursuing this major select a concentration:

Metals Concentration (<http://catalog.illinois.edu/undergraduate/faa/crafts-bfa/metal/>)

The curriculum in Crafts consists of a concentration in Metals. The BFA program focuses on the development of individual artistic and design capabilities, critical perceptions, and the mastery of comprehensive technical skills. The program emphasizes strengths in conceptual and material specialization. The curriculum supports professional training for the self-sustaining visual artist and provides the skills necessary for students to pursue an advanced degree in the arts. The curriculum in Crafts requires 122 credit hours.
