Electives as needed to total 120 hours

- Students enroll in applied music on the same instrument or in voice each semester. It is strongly recommended that students in this major acquire a thorough practical knowledge of the piano beyond basic keyboard competency as part of the applied music study.
- Musicology majors may satisfy their ensemble credit with MUSC 449. For a list of other approved ensembles, refer to the Undergraduate Music Handbook. A maximum of 10 hours of ensemble may be applied to the BMUS Musicology degree.
- Students must complete the equivalent of a fourth-semester college-level foreign language course or demonstrate fourth-semester proficiency for graduation.
- Chosen in consultation with the BMUS Musicology advisor. These courses may not be used to satisfy General Education requirements.

#### Sample Sequence

This sample sequence is intended to be used only as a guide for degree completion. All students should work individually with their academic advisors to decide the actual course selection and sequence that works best for them based on their academic preparation and goals. Enrichment programming such as study abroad, minors, internships, and so on may impact the structure of this four-year plan. Course availability is not guaranteed during the semester indicated in the sample sequence. This sample curriculum plan makes the assumption that students will have demonstrated keyboard competency by proficiency examination when they matriculate or they will need to enroll in MUS 172 and/or MUS 173.

Students must fulfill their Language Other Than English requirement by successfully completing a fourth level of a language other than English. This sample curriculum plan makes the assumption that the foreign language graduation requirement has been satisfied by completing four years of study of a single foreign language in high school. For more information, see the corresponding section on the Degree General and Education Requirements page (http://catalog.illinois.edu/general-information/degree-general-education-requirements/).
