The B.S.-M.F.A. program combines a B.S. in Sustainable Design with a M.F.A. in Art & Design, concentration in Design for Responsible Innovation (4 + 2 program). Current University of Illinois at Urbana-Champaign undergraduate students enrolled in the Sustainable Design undergraduate major who have completed between 60 and 96 credit hours and maintain superior academic performance are eligible to apply for this program. Students admitted to the program will receive the B.S. degree after four years and, contingent upon successful admittance to the Graduate School, will receive the M.F.A. degree after two additional years.
