Division of Design, Technology, and Management

Students planning careers in costume design and construction, lighting design, scenic design, scenic technology, sound design and technology, and stage management are selected for the options in this division by a process of faculty evaluation at the end of their first year of study in the department. Criteria for acceptance and continuance in these options include satisfactory completion of all course work in the first and second years, potential for professional-caliber work, commitment to theatre, and the necessary discipline for intensive study and practice. Students in these options are assigned to teams that design, mount, and manage more than fifteen productions annually in the Krannert Center for the Performing Arts.

for the Bachelor of Fine Arts Major in Theatre, Costume Design & Construction Concentration

Minimum required major and supporting course work: Twelve hours of 300 and 400 level courses in the major must be taken on this campus. 40 credits hours of upper-division coursework. Minimum hours required for graduation: 128 hours.
