MINOR IN ECOLOGY AND CONSERVATION BIOLOGY

The minor, administered by the School of Integrative Biology, is designed for students interested in gaining strength in this subdiscipline of biology. Preparation for many careers is advanced by coursework in ecology and conservation, e.g. environmental lawyer, environmental consultant, conservation technician, environmental educator, and environmental engineer.

Students must contact an SIB advisor for acceptance into the minor. Web address for School advising information: http://sib.illinois.edu/advising/
