

TEACHER EDUCATION MINOR IN ENGLISH AS A SECOND LANGUAGE

For those in another teacher education curriculum who want to prepare themselves to gain an ESL approval on their teacher's certificate related to their major field. Teacher education minors are available only to students seeking to add additional teaching fields to their teaching majors.

Students are advised that additional course work is necessary to teach middle grades six through eight. Consult the certification officer at 505 East Green suite 203 for additional information. For advising information please visit the Linguistics advising page.
