TEACHING OF MATHEMATICS
CONCENTRATION

For the Degree of Bachelor of Science in
Liberal Arts and Sciences

Major in Sciences and Letters Curriculum

E-mail: mathadvising@illinois.edu

Minimum required course work normally equates to 80-84 hours including 27-29 hours of mathematics beyond calculus, 3-4 hours of computer science, and 39 hours for the Teacher Education Minor in Secondary School Teaching.

General education: Students must fulfill the Campus General Education (https://courses.illinois.edu) requirements including the campus general education language requirement.

Twelve hours of 300- and 400-level courses in the major must be taken on this campus.

Minimum hours required for graduation: 120 hours

This concentration fulfills state certification requirements to teach high school math (grades 9-12) through the AP/honors level.

Students in this concentration must complete the Teacher Education Minor in Secondary School Teaching (39 hours). See the College of Education section for requirements of the minor (http://catalog.illinois.edu/undergraduate/education/secondary).

Time to degree completion varies. Minimum time to completion is 8 semesters, with some students requiring 10 semesters. Transfer students may need 10 total semesters combined to complete the program. Please see the LAS section in the transfer handbook (https://admissions.illinois.edu/Content/docs/Handbook_LAS.pdf) for more information.

To remain in good standing in this program and be recommended for certification, candidates are required to maintain UIUC, cumulative, content area, and professional education grade-point averages of 2.5 (A=4.0). Candidates should consult their adviser or the Council on Teacher Education for the list of courses used to compute these grade-point averages.

Departmental distinction: Distinction will be awarded on the basis of selection of 400-level courses in mathematics and the grade point average. Graduation with High Distinction or Highest Distinction in Mathematics requires participation in the Program for Distinction in Mathematics or Mathematics Education. Full details are available at the departmental website.

Three advanced mathematics courses, including:

- MATH 347  Fundamental Mathematics  3-4
- or MATH 348 Fundamental Mathematics-ACP

Required Core Courses

- MATH 416  Abstract Linear Algebra  3
- MATH 417  Intro to Abstract Algebra  3
- or MATH 427 Honors Abstract Algebra
- MATH 424  Honors Real Analysis  3
- or MATH 444 Elementary Real Analysis
- or MATH 445 Real Variables
- MATH 461  Probability Theory  3-4
- or STAT 400 Statistics and Probability
- CS 101  Intro Computing: Engrg & Sci  3-4
- or CS 125 Intro to Computer Science

Teacher Education Minor in Secondary School Teaching (http://catalog.illinois.edu/undergraduate/education/secondary) 39

Teaching of Mathematics Courses

- MATH 402  Non Euclidean Geometry  3
- or MATH 404 Euclidean Geometry
- MATH 453  Elementary Theory of Numbers  3
- Two additional 400- or 500-level mathematics courses  6

Total Hours  80-84

1. Students should have credit for MATH 220/MATH 221 and MATH 231 before enrolling in MATH 241.
2. Students may not receive credit for both MATH 416 and either MATH 410 or MATH 415.
3. If MATH 424 or MATH 447 is completed, a requirement for the Graduate Preparatory concentration has been satisfied.
4. If STAT 400 is completed, a group requirement for the Operations Research concentration has been satisfied.

Information listed in this catalog is current as of 10/2017
