Students select one concentration in consultation with an academic advisor:

- **Science of the Earth System (SES) Concentration** (http://catalog.illinois.edu/undergraduate/las/earth-society-environmental-sustainability-bslas/science-of-the-earth-system)
- **Society and the Environment (SAE) Concentration** (http://catalog.illinois.edu/undergraduate/las/earth-society-environmental-sustainability-bslas/society-the-environment)

**On-campus UIUC students** can transfer to this degree without any special requirements.

**Off-campus students** who plan to transfer to this degree should have completed, or have in progress, the following:

- the Composition 1 requirement.
- the third level of high school foreign language or second level of college foreign language.

It is highly recommended that off-campus students complete the following requirements before transferring to the online degree - students who have not completed the following requirements may have to take additional coursework (either at UIUC or elsewhere) and should consult the program advisor:

- the UIUC LAS language requirement should be satisfied.
- the General Education Distribution Requirements of the College of Liberal Arts and Sciences should be completed.
- the Cognate Coursework should be completed.
