

GEOLOGY MINOR

for the Undergraduate Minor in Geology

The geology minor is designed for students who desire a significant background in geology to support study and practice of their major field. Selection of courses at the 300- or 400- level will depend on the major and interests of the student.

Code	Title	Hours
GEOL 107	Physical Geology (Students who decide to follow the curriculum after first taking GEOL 100 should enroll in GEOL 208. GEOL 100 will be accepted as a substitute for GEOL 107, but students should be aware that these courses are not intended for science majors.)	4
GEOL 208	History of the Earth System	4
Select at least 10 hours of advanced geology courses from the following:		10-11
GEOL 333	Earth Materials and the Env	
GEOL 380	Environmental Geology	
400-level courses taught by the Department of Geology		
Total Hours		18-19
