### SUSTAINABILITY, ENERGY, AND ENVIRONMENT MINOR, UG

**for the Minor in Sustainability, Energy, and Environment**

Why is true sustainability so hard to achieve? Behind every environmentally friendly practice is a web of consequences, trade-offs, feedbacks, and barriers — and this undergraduate minor administered by the Institute for Sustainability, Energy, and Environment (iSEE) will help you develop a systems-level perspective of the economic, environmental and social dimensions of sustainability to help you navigate them.

The Sustainability, Energy, and Environment Fellows Program (SEE FP) is a campuswide undergraduate minor that prepares students for pursuing careers in the corporate sector, nonprofit organizations, government agencies and environmental advocacy groups.

To find out more about the minor and the enrollment process, email Eric Green, iSEE Instructor/Advisor, at see-fellows@illinois.edu.

**Code** | **Title** | **Hours**
--- | --- | ---
ENVS 301 | Tools for Sustainability | 3
ENVS 492 | Sustainability, Energy and Environment Capstone | 4

**Introduction to Sustainability: choose one of the following** | 3
- ESE 200 | Earth Systems
- NRES 287 | Environment and Society

**Economic/Policy/Social Dimensions: Choose one of the following** | 3-4
- ACE 210 | Environmental Economics
- UP 460 | Transportation/Land Use Policy
- PS 225 | Environmental Politics & Policy
- NRES 425 | Natural Resources Law & Policy
- NRES 426 | Renewable Energy Policy
- NRES 472 | Environmental Psychology
- ESE 311 | Environmental Issues Today
- LA 370 | Environmental Sustainability
- ESE 482 | Challenges of Sustainability

**Environmental/Natural Systems: Choose one of the following** | 3-4
- CEE 330 | Environmental Engineering
- IB 440 | Plants and Global Change
- UP 405 | Watershed Ecology and Planning
- NRES 219 | Applied Ecology
- NRES 348 | Fish and Wildlife Ecology
- NRES 429 | Aquatic Ecosystem Conservation
- ESE 320 | Water Planet, Water Crisis
- ESE 445 | Earth Resources Sustainability
- ENSU 310 | Renewable & Alternative Energy

**Total Hours** | **16-18**
