GC - GRADUATE COLLEGE

GC Class Schedule (https://courses.illinois.edu/schedule/DEFAULT/DEFAULT/GC/)

Courses

GC 295 URAP Research Apprenticeship credit: 3 Hours. (https://courses.illinois.edu/schedule/terms/GC/295/)
The Office of Undergraduate Research and the Graduate College offer the opportunity for freshmen, sophomore, and transfer students with little to no research experience to assist advanced graduate students with their research projects. Through an application, selection, and matching process, undergraduate students are provided a research experience with their graduate student mentor. In addition, regular class meetings will offer a comprehensive introduction to research methods and practices. Approved for S/U grading only. Prerequisite: Consent of instructor. Freshmen, Sophomores, and first-year transfer students by application only.

GC 298 Special Topics: Graduate School Exploration credit: 3 Hours. (https://courses.illinois.edu/schedule/terms/GC/298/)
Offers the opportunity for students with limited research experience to explore the fundamentals of graduate education across various disciplinary fields. Course content provides an introduction for processes of knowledge generation across the humanities, social sciences, and natural sciences. Case studies will be used to contextualize the scientific processes. In addition, students learn how to plan for an advanced degree. Approved for S/U grading only. Prerequisite: Consent of instructor. Restricted to students enrolled in Graduate School Exploration Program. Juniors and first-year transfer students by application only.

GC 498 Graduate Domestic Study Away credit: 0 to 12 Hours. (https://courses.illinois.edu/schedule/terms/GC/498/)
Provides campus credit for study at accredited domestics institutions outside the CIC. 0 to 12 graduate hours. Approved for both letter and S/U grading. May be repeated to a maximum of 12 graduate hours in separate terms. Credit received will depend on transfer approved from visited institution. Prerequisite: Registration will be controlled by Graduate Records.

GC 499 Graduate College Study Abroad credit: 0 to 18 Hours. (https://courses.illinois.edu/schedule/terms/GC/499/)
Provides campus credit for study at accredited foreign institutions or approved overseas programs. Final determination of credit granted is made after the student's successful completion of work. Credit will not count toward residence requirements. No undergraduate credit. 0 to 18 graduate hours. Approved for Letter and S/U grading. Prerequisite: Full academic standing in the Graduate College and consent of major department and Graduate College.

GC 500 URAP Graduate Mentor Practicum credit: 0 Hours. (https://courses.illinois.edu/schedule/terms/GC/500/)
The Office of Undergraduate Research (OUR) and the Graduate College offer the opportunity for first and second-year undergraduate students to assist advanced graduate students with their research projects. Through a one-on-one research experience with their graduate student mentor, undergraduate students will have the opportunity to learn what it means to do research, create knowledge, and produce scholarship. This course will serve as a formal record of the graduate mentoring side of the apprenticeship (i.e., "practicum"). Approved for S/U grading only. May be repeated.

GC 598 Special Topics credit: 2 Hours. (https://courses.illinois.edu/schedule/terms/GC/598/)
This special topics course provides an opportunity for students and faculty from different disciplines and different institutions to gain knowledge about a cross-cutting topic of international relevance. Approved for S/U grading only. May be repeated in separate terms if topics vary.

GC 599 Thesis Research credit: 0 Hours. (https://courses.illinois.edu/schedule/terms/GC/599/)
For doctoral students who have a guaranteed student loan that needs deferral, have completed the credit requirements for the doctorate, have passed the preliminary examination, do not have any financial assistance that would cover tuition and fees, and are eligible to register for 599 in their own academic units. Approved for S/U grading only. May be repeated in the same term or in separate terms.
